No. 2312-C.

Petition from K. Nadamuni Naidu, late sub-overseer, Public Works department, dated 19th November 1883.

Transferred to the Financial department with the remark that, in the absence of the petitioner's service register which seems to be in the possession of the Local Fund authorities in the North Arcot district, the previous service rendered by the petitioner in the Public Works department cannot be verified.

2. Looking, however, to the circumstances of the petitioner's dismissal from Local Fund employ, it may not be necessary to consider the question of previous service under Government. A decision on this point seems desirable.

From A. J. STUART, Esq., President of the Local Fund Boards, North Arcot, to the Chief Secretary to Government, dated Kuppam, 29th January 1884, No. 8.

With reference to endorsement, No. 2325, dated 30th November 1883, from the Under Secretary to Government (herewith returned), I have the honor to submit herewith the service register of K. Nadamuni Naidu, late a Local Fund overseer in the Chittoor circle, received from the Local Fund Engineer, and to state that the man was dismissed in December 1880.

2. The circumstances were as follow:—

In compliance with an order from the Accountant-General, Nadamuni Naidu was called on to report what property he possessed. The statement he submitted showed that he owned only 5 cawnies assessed at Rs. 20. Inquiries were instituted and it was discovered that he possessed not only this but other extensive property, and that he was carrying on trade. This was not all. He was directed by the Local

Fund Engineer on one occasion to submit an estimate for repairing the Puthalpet and Tirupati road. He accordingly submitted one for Rs. 5,000. On inspection by the Local Fund Engineer it was found that the overseer had entered improperly high rates and misstated the quarry distances, thus putting the amount of the estimate at too high a figure.

The man's conduct was unsatisfactory and untrustworthy, and in the interests of the Local Fund Board his services were dispensed with.

Pension department.

I have the honor to acknowledge the receipt of your endorsement, No. 20, dated 13th instant, requiring me to report on the petition of K. Nadamuni Naidu, late sub-overseer, Local Fund department, North Arcot district, and formerly sub-overseer of the Public Works department, praying that he may be granted for his service such pension as is admissible under the rules.

2. The petitioner served for 6 complete years in the Public Works department, and for 8 complete years in the Local Fund department, from which he was dismissed on 3rd December 1880 for furnishing false information in regard to the amount of property he possessed in the district in which he was employed and for other reasons. He refers, in support of his claim, to G.O., No. 2170, Financial department, dated 27th September 1883, in which Government have laid down that dismissal from Local Fund service shall not be held to deprive the person dismissed to any retiring allowance to which he would otherwise be entitled in respect of his previous service under Government. The petitioner, however, is only 40 years of age, and (putting aside the fact that he has been dismissed from his employment) he is not entitled to claim either an invalid pension or a superannuation pension or a pension in compensation for loss of office owing to reduction of establishment, the only three classes of pension admissible under the code. His claim therefore for a retiring allowance from Government cannot now come up for consideration.

3. The President states in his letter to Government, No. 8, dated 29th January, that Nadamuni Naidu was called on to report what property he possessed in compliance with an order from the Accountant-General. It does not appear, however, that the return was called for by this office.

ORDER—dated 6th May 1884, No. 356, Pension.

No pension or gratuity can be granted to the applicant under present circumstances. If, however, he should be permitted to re-enter the public service, his former

service under Government will count towards pension under G.O., Financial, 27th September 1883, No. 2170, in the absence of a special order to the contrary.
