BOARD OF REVENUE, 30TH APRIL 1884, No. ¹⁴⁸⁰
FOREST 97.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from J. S. GAMBLE, Esq., Conservator of Forests,
Northern Circle, to the Secretary to the Board of Revenue, dated Ootaca-
mund, 10th April 1884, No. 93:—

In reply to Board's Proceedings, No. 1166, of 31st March 1884, I have the honor
to say that this circle will not be able to supply *teak* timber in Madras for the use of the
Public Works Department during the current year. The value of the stock of mature
timber in Godávári is too little known yet for it to be advisable to cut and send
any down from the Bhadráchalam forests; and in the Kurnool District the present
heavy work of forest demarcation and settlement prevents the local officers having
much time for timber works more extensive than the supply of the Bellary-Kistna
Railway. From other districts no *teak* timber is available, but the Ganjam sál is likely
to be useful, and regarding that I shall report in replying to Board's Proceedings,
No. 1025-38, of 21st March 1884.

RESOLUTION—dated 30th April 1884, No. ¹⁴⁸⁰
Forest 97.

Submitted for the information of Government with reference to G.O., No. 1353,
dated 24th March 1884.

2. Mr. Gamble should take an early opportunity of visiting the Godávári forests.
