Account.

READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Chief Engineer for Irrigation, dated Masulipatam, 23rd May 1883, No. 555 K.S. :—

I have the honor to forward, herewith, the annual statement of the earnings, &c., of the Kistna staff boats during 1882-83.

2. The result is somewhat more satisfactory than in the previous year, as there is a surplus of Rs. 338-0-10 instead of a deficit of Rs. 642-1-11. This is due to there not having been any expenditure on special repairs.

3. Boat No. 8, however, requires a considerable sum to be spent on reconstructing the hull.
