MILITARY DEPARTMENT.

21st May 1884, No. 2430.

Transport—Railway.

Read the following paper :—

No. 250. From Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to the Government of Madras, Military Department; dated Simla, 3rd May 1884, No. 217-S.C.

Transport—Railway.

With reference to the correspondence noted in the margin regarding the provision of dummy railway wagons for training horses in railway embarkation and disembarkation, I am directed to state, for the information of the Governor in Council, that the wagons and accessories to be provided for the purpose should not be of an expensive nature. All that is needed is an earthen platform, with a ramp leading up to the wagon, which should remain stationary. I am to request that, under the orders of the Governor in Council, you will be so good as to place yourself in communication with the Inspector-General of Military Works in order to ascertain the nature of dummy wagons and trucks which have been provided by his department in the Bengal presidency, so that similar inexpensive arrangements may be provided at stations in the Madras presidency.

No. 251. ORDER THEREON, 21st May 1884, No. 2430.

Communicated, in continuation of Proceedings of Government, No. 2735, dated 7th June 1882, and No. 1436, dated 24th March 1884, to His Excellency the Commander-in-Chief and the Public Works Department.

2. It is observed that plans of dummy wagons and trucks have already been obtained from the Inspector-General of Works—Proceedings of Government (Public Works), No. 2396-W., dated 27th August; and (Military Department) No. 4957, dated 11th September 1883.

(True Extract.)
