SIR,

I have the honor to bring to your notice that Mr J. M. Span Executive Engineer 2nd Grade states that in his joining the (late) A Project Division on transfer from Assam he was at the Presidency Town Madras from 10th to 18th October/83 and that he was duly Gazetted as on duty during that period. But no notice to that effect can be found in any Fort Saint George Gazette. I therefore request that you will be so good as to obtain the sanction of Government to the Presidency allowance being passed for him for the above period.

Should Govt. consider that Madras was the Head Quarters of Mr. Span with reference to P. W. Department Code para 558, there appears no objection to his being allowed to draw Presidency Allowance for the period of his stay at Madras. Mr. Span is stated to have reported his arrival at Madras on the forenoon of the 9th. October 1883. He will be entitled to draw the Presidency Allowance and House Rent of his rank from that date to 17th. October 1883, and not from the 10th. Idem to 18th. October 1883 as stated by the Supg. Engineer.

S.A.W.

There is a mistake here. Mr Fritsch has already been appointed to C Division. Mr Span must go to A Division. The order may be altered accordingly. Mr S. will apparently come to Madras & can then be informed that No 1 ~~Division~~ Circle is his destination.
