THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

In reply to your letter, No. 601 G., dated 19th May 1884, I am directed to say that, as the number of Executive Engineers according to the sanctioned scale of establishment for this presidency is complete, and as, under the authority conveyed in your telegram dated 2nd May 1884, the vacancies on the authorised temporary establishment have been filled by selected Assistant Engineers of standing and experience, Mr. Lobb must, for the present, be considered as supernumerary.

2. In these circumstances, I am to suggest the advisability of recreating one of the Project divisions which have, under the orders of the Government of India, been abolished. In the lists forwarded with my letter, No. 466 L., dated 13th June 1882, there is a project for investigating the Lower Coleroon irrigation, embracing provision
