Estimate for a second-class — at Uppinangadi, South Canara district, sanctioned.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From Lieut.-Col. T. K. GUTHRIE, Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 29th April 1884, No. 2205.

Mr. Mathava Butt, an opulent native gentleman, residing in Uppinangadi, South Canara, having undertaken to build a second-class police station in that town at his own expense, provided the materials of the recently abandoned sub-jail at Uppinangadi be placed at his disposal for that purpose, I have the honor to request that I may be authorized to accept the proposal. The requisite sanction to dismantle the jail and to deliver the materials to Mr. Mathava Butt is being applied for by the Public Works department (*vide* the accompanying letter \* from the Executive Engineer to the Superintending Engineer, IV Circle).

\* No. 789, dated 2nd April 1884.

2. Should the foregoing arrangement secure approval, I request that the sanction conveyed in G.O., Mis. No. 125, of the 18th January 1884, Judicial department, for the construction at Uppinangadi, when funds become available, of a station-house at a cost of Rs. 2,775 may be rescinded.

ENCLOSURE.

From J. P. DAVIDSON, Esq., Executive Engineer, Coimbatore division, to the Superintending Engineer, IV Circle, dated Coimbatore, 2nd April 1884, No. 789.

With reference to your No. 181, dated 25th March 1884, I have the honor to state that the following are the facts of the case.

The head-quarters of the taluk have lately been removed from Uppinangadi to Putur, and the police have of course moved at the same time.

2. Uppinangadi however being a large town a police station (apparently second class) is required there, and as a temporary arrangement with the consent of the District Magistrate, they (the police) have utilized the abandoned sub-jail as a station-house.

3. I understand that the abandoned cutcherry, police lines, and public buildings of Uppinangadi are on one side of the Komardavi river, and the village itself is on the other.

4. The villagers knowing that the cutcherry has been transferred and only a small police station is to be kept up, consider that this station ought to be in the village and with this opinion the Superintendent agrees.

5. The Inspector-General of Police in his letter, No. 4709, of 16th September 1882, says that if the villagers would like to have a station in their village, they may fairly be asked to pay the cost of its construction.

6. In his letter, No. 72, of 12th February 1883, the Superintendent of Police states that a large landholder and proprietor of Uppinangadi, Mr. Mathava Butt, has agreed to construct the police station at his own cost if he be permitted to utilize the old materials of the sub-jail at present occupied by the police.

7. This would of course entail the dismantling of the sub-jail, and as the building is a Government one orders of Government are required (1) to dismantle it, and (2) to transfer the old materials to Mathava Butt.

8. As all abandoned Government buildings are in the charge of this department, I presume sanction of Government to dismantle a building and give away the old materials must be applied for through the Chief Engineer.

9. I see no objection to the course proposed, and request you will obtain the sanction of Government to the dismantlement of the sub-jail at Uppinangadi, and the transfer of the old materials to Mr. Mathava Butt.

10. Regarding the construction of the building by Mr. Mathava Butt, I am of opinion that sanction must be obtained in the Police department. I have accordingly written to the Superintendent asking him to apply for the requisite permission.

11. I enclose copy of my letter to the Superintendent of Police for information.

12. The building if constructed by Mr. Mathava Butt will of course be done entirely independent of this department and be considered a police work; if, however, the work is to be in any way supervised by this department or its quality, &c., certified to on completion, I am of opinion that the execution of the work by Mr. Mathava Butt would be objectionable, as it would be unfair both to Mr. Mathava Butt and to the Sub-divisional officer, South Canara.

ORDER—dated 12th May 1884, No. 1181, Judicial.

Sanction is given for dismantling the sub-jail at Uppinangadi, and for handing over the materials of the building to Mr. Mathava Butt on condition that he constructs a second-class police station in that village.

2. These Proceedings will be communicated to the Department Public Works with reference to the concluding paragraph of the letter from the Inspector-General of Police.
