1 Abstract estimate in duplicate.

2. At present the office establishment of both these officers, together with the anicut office establishment and the division cashier, do their work in a small building called the anicut office.

3. The work of the sub-divisions is carried on with the utmost difficulty, as the anicut office is daily surrounded by a crowd of coolies being paid by the cashier.

4. The two sub-division officers have no office rooms in which they can do their work.

5. If the proposed building is sanctioned, the anicut establishment and the division cashier will continue to do their work in the anicut office.
