GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

19th October 1882, No. 5618.

Pensions—Warrant Officers.

Read the following papers:—

No. 346. From Colonel S. CHAMIER, Inspector-General of Ordnance, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department, Ootacamund; dated Fort St. George, 3rd June 1882, No. 59-G.

I have the honor to forward, for favorable consideration of the Right Honorable the Governor in Council, the accompanying memorial,* in duplicate, from Lieutenant J. Wightman, Deputy Assistant Commissary of Ordnance, and now in charge of the Ordnance Depot at Bellary. This warrant officer who enlisted in the Madras Horse Artillery on the 23rd July 1842 has served for a period of thirty-nine years ten months and nine days, and has done good service both before and since his employment in the Ordnance Department. He has always been most favorably reported on, and would doubtless have succeeded on an early date to the rank of Assistant Commissary of Ordnance, but for his ordered compulsory retirement in September next. He served in the Burmese campaign of 1852-53 and 1854, and in the Indian Mutiny of 1857-58 and 1859, and is in possession of two medals and two clasps as also a good conduct medal.

From Colonel R. A. MOORE, Acting Commissary-General, to the Adjutant-General, Ootacamund; dated Madras, 3rd June 1882, No. 1732.

I have the honor to forward, for submission to Government, a memorial (in duplicate) from Conductor Rishworth, Commissariat Department, addressed to His Excellency the Governor-General of India praying for the invalid pension of a Deputy Assistant Commissary, allowed under G.O.G.G., No. 69 of 1868.

Conductor Rishworth, the first on the list of Conductors for promotion, is in excellent health, and, under ordinary circumstances, would have earned the pension he now prays for; but, owing to the recent order compelling retirement after fifty-five years of age, and which is to come into force on the 1st September 1882, he will have to leave the service as a Conductor, as neither of the two vacancies which will take place on that date in the grade of superior warrant officers will be available to him.

Conductor Rishworth is a good soldier and a very worthy man, and is well deserving of any indulgence that you may see fit to accord.

ABSTRACT.—Approving the promotion, as a special case, of Conductor Jack to Deputy Assistant Commissary, the requisite further action in the matter being taken in the Military Department.

I am directed to acknowledge the receipt of your letter No. 4076, dated the 3rd August 1882, submitting the recommendation for promotion as a special case of

† Returned with original correspondence. Conductor W. Jack to Deputy Assistant Commissary; also memorials† of Lieutenant and Deputy Assistant Commissary J. Wightman and Conductor J. Rishworth praying to be allowed the pension of Assistant Commissary and Deputy Assistant Commissary, respectively, on their being compulsorily retired.

2. In reply, I am desired to state, for the information of His Excellency the Governor in Council, that the Government of India after careful consideration regret to be unable to accede to the recommendation of the Government of Madras; for if in these instances were the concession made, which is quite contrary to the letter and spirit of the regulations, there are throughout India warrant officers

who have lately retired or are about to retire who would have equally as good claims, and would naturally seek the benefits of the same indulgence.

3. It is understood that retirements under G.G.O., No. 514 of 1881, are being made from the 16th September 1882.

No. 354. *ORDER THEREON, 19th October 1882, No. 5618.*

Ordered that the foregoing letter from the Government of India be communicated to His Excellency the Commander-in-Chief and departments concerned.

No. 2234 C of 16th Nov/83

Endorsement by the Military Department No: 5959 dated 7th
November 1883, on letter from the Government of India
No: $\frac{1232}{A}$ dated 24th October 1883.

C. J. 9815

x G.O. 1722 W of 8th July 1882

In returning the accom-
panying letter from the Govern-
ment of India No: $\frac{1232}{A}$ dated 24th
October 1883, which has been referred
to the Public Works Department,
it is remarked that, although
Conductor Jack's promotion to Dy.
Assistant Commissary was
"approved" in the P.W. Department,
the step was not actually given
in this Department. Such
action as would be necessary
to confer the higher rank on Condr.
Jack was left to be taken in the
Military Department, in which
all Military promotions are
made. The Proceedings in the
Public Works Department
quoted by the Government of
India can, therefore, only be
regarded

regarded as a recommendation, which recommendation the Govt. of India have in a subsequent letter No: 869 S. A. dated 9th October 1882 declined to accede to.

2. The P. W. Department would be glad to see the higher rank conferred on Condr. Jack, but have no power to sanction the promotion.

3. It is observed that Notification No: 360 dated 27th July 1882, is merely a list of papers placed at the disposal of the Press, in which G. O. 1722 W dated 8th July 1882 appears. If the G. O. itself has no validity, as regards the promotion, the abstract of the paper which appears in the Gazette must be equally inoperative.

4. There is no record before this Department to show the manner in which Conductor Jack's promotion was recognized by the Superintending Engineer. In any case such recognition was premature and unauthorized.

5. The Statement in para 1 of

of the Government of India letter, that Conductor Jack performed the duties of a Dy. Assistant Commissary, is not understood. There are no special duties appertaining to the rank in the Public Works Department.
