Civil Works.

Read—the following letter from J. LEE-WARNER, Esq., Acting Collector of Tinnevelly, to the Secretary to Government, Public Works Department, dated 7th June 1884, No. 285 :—

I have the honor to state that, at the request of the Public Works Department, the tahsildar of Srívilliputur was ordered to make over to the Executive Engineer, for the construction of the sub-registrar's office, certain lands in Srívilliputur cusbah belonging to three individuals. Two of the owners have given their consent to part with their lands on receiving compensation. The other is a minor and his guardian demands double the amount of compensation, calculated at the rate allowed to the former two.

2. As the owner of the third plot of ground is a minor, and as it has not been possible to induce his guardian to part with the land amicably for a reasonable price, and as the Executive Engineer states that there is no other suitable site for the sub-registrar's office, it has to be acquired under Act X of 1870.

3. A draft notification and its annexure (a schedule) are, therefore, herewith submitted for approval and publication in the *Fort St. George Gazette*.

Order—dated 16th June 1884, No. 1493 W., Public Works.

Ordered that the notification be published in the *Fort St. George Gazette*.

2. The Collector of Tinnevelly will take order for the acquisition of the land in accordance with the provisions of Act X of 1870.
