PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Major S. C. CLARKE, R.E., Officiating Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 11th December 1883, No. 2576:—

I have the honor to submit, for sanction of Government, a plan and estimate, amounting to Rs. 3,030, for constructing a school-house at Bellary, for the 27th regiment, native infantry, after the design sanctioned in G.O., No. 50, dated 6th January 1875, with certain modifications.

2. The work is entered in the list of minor new works, which accompanied G.O., No. 3002 W., dated 24th October 1883, and is recommended for execution during the coming official year.

No. 2542 C., Public Works.

Submitted for the orders of Government in the Military Department.

2. The plan and estimate are based on a standard design which was cancelled by Proceedings of Government, No. 1241, Public Works, dated 10th April 1877; and it is observed that the dimensions proposed for the building at Bellary differ from those recently adopted* for the one at Berhampore, both being schools for native infantry regiments.

17TH JANUARY 1884, No. 149 W., PUBLIC WORKS.

From Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Head Quarters Camp, Camp of Exercise, 13th January 1884, No. 576.

In returning, as requested, the papers received under Military Department, No. 6868, dated 21st December 1883, I have the honor, by order, to state, for the information of Government, that the school-house it is proposed to erect at Berham-pore is for the head-quarters and wing only of a native infantry regiment, while that at Bellary, for which a plan and estimate have been approved by the Commander-in-Chief, is for a full regiment, and therefore a larger one is wanted there.

2. Originally a school-house for 100 pupils was found sufficient for a full native infantry regiment, but experience has shown that it is necessary in a full regiment to provide accommodation for a larger number of scholars.

ORDER—dated 17th January 1884, No. 149 W., Public Works.

The estimate, amounting to Rs. 3,030, for constructing a school-house at Bellary, for a native infantry regiment, is sanctioned for execution when funds are available.

2. This sanction has been registered as Imperial Ordinary No. 58 W. of 1883-84, and classified as Military Original Works.
