GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepák, 1st May 1884, No. 153.

With reference to your endorsement, No. 591 C., dated 11th March, on letter, No. 133 W., dated 4th March, from the Superintending Engineer, IV Circle, I have the honor to return the tracing of the tomb to

- 3 Tracings.
- 1 Detailed estimate.

be erected over the grave of the late Right Honorable W. P. Adam, Governor of Madras, with an estimate for constructing the same, amounting to Rs 1,660.

2. I beg to suggest that the dimensions shown on Mr. Chisholm's design be adhered to as a larger tomb would probably look clumsy and be out of place.

3. The report attached to the estimate explains how this could be done without disturbing the grave.

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 10th June 1884, No. 281 E.W.

With reference to your endorsement, No. 160 E., of 19th ultimo, regarding the completion of the tomb of the late Governor, I have the honor to inform you that

- 1 Original letter, No. 153, of 1st May 1884, from Consulting Architect, to Chief Engineer, Public Works Department.
- 1 Estimate.
- 3 Tracings and 1 revised tracing.

the Executive Engineer, Nilgiris, has ascertained that the existing arch over the grave "comes up to ground level." I therefore send a revised section showing how I would propose to strengthen the existing masonry, and complete the work.

The estimated cost of the work to be done need not be altered. The difference is the substitution of concrete below ground level for some brick and arch work, but the cost will be about the same.

ORDER—dated 19th June 1884, No. 1532 W., Public Works.

The estimate, amounting to Rs. 1,660, for erecting a tomb over the grave of the Right Honorable W. P. Adam at Ootacamund, is sanctioned as supplemental to the estimate referred to in G.O., No. 1150 W., of 7th May 1884, for constructing a memorial.

2. The Consulting Architect to Government will apply for the funds required for the work during the current official year.

19TH JUNE 1884, No. 1532 W., PUBLIC WORKS.

3. This sanction has been registered as Provincial No. 65 W. of 1884-85, and classified as Civil Buildings, Original Works.

JUNE.

Right Honorable W. P. Adam

Estimate of Rs. 1,660 for erecting a tomb
over the grave of the late —, sanctioned.

C. A. W.

Please look into these
papers. Perhaps the G.O.
already drafted & approved
by Hon. Members will
be sufficient. 1532

But it seems that the
work provided for will
have to be carried out
partly by the C. A. — &
partly on the spot by
the E. E.

lll

Low

The original draft
seems sufficient. The
Consulting Architect
will make his own
arrangements for carrying
out the work which is
to be done locally. He
will probably ask the
Executive Engineer to
superise it.
