READ—the following letter from Major SIDNEY SMITH, R.E., Acting Deputy Consulting Engineer for Railways, to the Consulting Engineer for Railways, dated Madras, 4th June 1884 :—

In forwarding the accompanying disallowance list from the Examiner of Public Works Accounts, as I am given to understand, with reference to paragraph 78, Madras Public Works Department Code, 1882, that I have been reported on as fully qualified, I have the honor to request that you will be good enough to obtain the usual notification in the Government of India Gazette, of my appointment to a grade in the Public Works Department.

2. In doing so I would respectfully bring to your notice that the date of my first commission is January 1869, and that had I come out to India with my contemporaries I should have served 13 years in this country, and, in the ordinary course, should have attained the 2nd or 3rd grade. I trust the Government will take this fact into consideration in determining my grade in the department.
