the ground were demolished and removed
but only petitioners' grand fathers' Tomb
remained. On the 9th May 1870. pe-
titioners' uncle applied to the Collector
of Madras for permission to repair
the said Tomb, and the Collectors reply
is hereto annexed. Also Government
till the life time of petitioners' uncle and
father were paying monthly Rs. 63. 14. to

the father of the person interred therein
had been a great friend to the then British
Government. Further, it is habitual

At present on Pye Informary Hospital is being constructed on the ground in question and I am afraid that the said tomb would be destroyed. Therefore Petitioner prays that Your Excellency will be graciously pleased to order the Chief Engineer at Madras not to allow the tomb in Question to be destroyed, on Consideration of the merits of the person thereon interred and to save her descendants from shame.

For which Act of benevolence Petitioner will ever gratefully pray.
