GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works

On the following letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Engineer, Public Works Department, dated Trichinopoly, 11th June, No. 403 T.J. :—

I have the honor to report that, in the budget for the current official year, the annual maintenance grant of Rs. 4,000, for the Tanjore palace, is entered for expenditure by this department. The Executive Engineer, Tanjore division, has reported that it would be better if the maintenance work were carried out under orders from the Collector and Receiver.

2. In his reply to a reference made on the subject, the Collector states that he has no particular objection to the ordinary repairs of the Tanjore palace being executed under his supervision in the Agency department and that the necessary steps may be taken to transfer the budget allotment from Public Works to the Civil Department, that all expenditure incurred may be accounted for in the usual way to the Accountant-General.

3. I request that you will be good enough to sanction the above proposal and to authorize the Examiner to place the money at the disposal of the Civil Department as soon as possible.

4. I consider that it is advisable to allow these petty repairs to be executed under orders of the Receiver, as he alone through his agents can arrange what repairs should be executed every year to the palace.

RE—dated 30th June 1884, No. 1631 W., Public Works.

The proposal of the Superintending Engineer, VI Circle, to transfer to the Collector the annual maintenance of the Tanjore palace, is approved.

2. The question of the transfer, to the Civil Department, of the sum of Rs. 4,000, added for the work in the current year's Provincial budget, will be considered in the Financial Department.
