NOTE OF REMARKS.

1. This estimate provides
for constructing surface
drains from the wash
houses to the main drain
Parade Barracks at
Bangalore. The amount
of the estimate is Rs. 780.

2. It is stated that when
the wash-houses were
built it was intended
that the drainage from
each should go into
existing underground
drains leading across
the regimental parade
ground, but that as these
were often choked, it has
become necessary to add
the description of drains
provided for in this
estimate. The proposed

drains are to be V-shaped
formed of stone backed
with concrete.

3. The estimate has been
countersigned by the
