No. 109.

From

To

The Superintending Engineer,
4th Circle.

Sir,

I have the honor to append a Memo: of advances made to work people under the authority conveyed in Code para 1553 and G.O. No. 2656 M. dated 12th October 1882 and to request that sanction may be accorded to their remaining finally to the debit of the works concerned, as they are now found to be irrecoverable, the work people to whom the advances were made having absconded. The advances were at the time found to be absolutely necessary for the proper progress of the work but the system has since been discontinued under the improved conditions

under which Departmental labor is
now being enforced.

Signed / J. C. Larmorie
Executive Engineer
Nilgiri Division.
