READ—the following letter from L. R. BURROWS, Esq., President, Local Fund Board, Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 9th May 1884, No. 31 :—

On the 19th February last, I received the following telegram from the Secretary to Government, Public Works Department addressed to me as Collector :—

"The portion of the trunk road within Ootacamund municipal limits to be repaired at once. Rs. 2,400 allotted in orders which follow."

2. I accordingly directed the Local Fund Engineer to make the necessary arrangements for the repairs of the road.

3. On the 27th March last, I received the Order of Government in the Public Works Department, No. 602 W., dated 5th March 1884, communicated in G.O., Mis. No. 643, dated 24th March 1884, Financial Department, which directs that the allotment should be expended through the agency of the Municipal Commission.

4. Between the date of my receipt of the telegram and of the Government Order above quoted, considerable progress was made by the Local Fund Engineer, acting under my directions in the collection of road metal, &c., and on the 1st May nearly 1,100 rupees had been expended for the purpose. I considered it therefore undesirable to transfer at that stage the repairs of the road and the unexpended balance of the allotment to the Municipality as required by the Government Order.

5. I trust that Government will approve of my action and sanction the allotment as made to the Local Fund Board instead of to the Municipality, as the work for which it is made is now almost completed.

ORDER—dated 2nd June 1884, No. ^{1376 W.}_B Public Works.

As, under orders in the Financial Department, No. 1025, dated 7th May 1884, the maintenance of such portions of the road as are included within municipal limits now devolves on the Public Works Department, the unexpended balance, on the 1st June 1884, of the Provincial grant made in G.O., No. 602 W., dated 5th March 1884, will be paid over to the Executive Engineer of the Nilgiri Division, who will thereupon complete the work in accordance with any contract or agreement which may have been entered into by the Local Fund Board.

2. Expenditure incurred by the Local Fund Board up to the 31st May will be adjusted against the abovementioned Provincial grant.

ORDER—dated 31st July 1882, No. 1928 W., Public Works.

On reconsideration the Government have decided not to disturb the existing arrangements during the current year as regards the work, either original or repair, of the main road leading from Kudlar, *via* Ootacamund and Naduvatan, to Gudalur. The grant of Rs. 50,000 for original work will therefore, as first assigned, be expended by the agency at the disposal of the Local Fund Board.

2. Deeming it however important that the work should be inspected and reported on from time to time by the Officers of the Public Works Department, the Chief Engineer will make the needful arrangements with this object.

3. Should it subsequently appear desirable to Government that the work on this line may with advantage be transferred to the Public Works Department in the next official year, timely notice will be conveyed to the Local Fund Board.
