In reply to your letter regarding leave admissible to apprentice overseers, I am directed to state that the addition to the Civil Leave Code, section 127, exception 8, rule 5, note 2, applies to civil apprentice overseers, but perhaps the Government of Madras may think it right to refuse all leave except leave on medical certificate.

READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 21st May 1884, No. 21 W.:—

In their orders communicated with G.O., No. 3146 W., dated the 30th November 1882, the Government of India ruled that apprentice overseers were not entitled to any leave under the civil rules, but from section 127, exception 8, rule 5, note 2 of the Civil Leave Code, 6th edition, it is evident that they are entitled to all descriptions of leave.

2. Under Public Works Department code paragraphs 109, 110 and 118 apprentice overseers retain, during their period of apprenticeship, position only as students of the college, and will be provided with appointments on the regular establishment only to the extent to which appointments may be guaranteed, so that it is possible that they may be out of departmental employ when their apprenticeship terminates; and, under the circumstances, it is not clear whether they can be held to be entitled to any leave during their apprentice course.

3. Favor of early orders solicited.

ORDER—dated 2nd June 1884, No. 1369 W., Public Works.

Ordered to be forwarded for the orders of the Government of India, with advertence to their letter, No. 1351 G., dated 23rd November 1882.
