Letter from the Government of India, Public Works Department, dated 19th June 1884, No. 33-A.E.W.

From Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th June 1884, No. 642 M.W.

In reply to your letter, No. 1316 W., dated 26th May 1884, on the subject of the enhancement of the rent paid by Government for the building hired for an infant school in Fort St. George, I am directed to state that the Government of India concur with the Governor in Council that the trustees of the Charity to which the building belongs have a right to reconsider the amount of rent to be paid for it on the withdrawal of the tenant from the agreement to keep the building in repair.

2. I am, however, to remark that the authorised accommodation for the children of a battalion of European infantry is a room 36' x 24' for 64 children. This was fixed, moreover, when the proportion of married men in a regiment was much higher than at present, and a smaller room should now suffice. Under these circumstances, the proposed rent of Rs. 115 per mensem appears altogether disproportionate to the accommodation required; and I am to request that, under the orders of the Governor in Council, endeavours may be made to provide a suitable room for the school by some more economical arrangement. It would, probably, I am to observe, be much more economical to build a small room than to continue to pay Rs. 1,380 per annum.

ORDER—dated 9th July 1884, No. 1702 W., Public Works.

Paragraph 1 of the above letter will be communicated to the Examiner, Public Works Accounts, and the Superintending Engineer, V Circle, with reference to G.O., No. 1315 W., dated 26th May 1884.

2. His Excellency the Commander-in-Chief will be requested, in the Military Department, to favor Government with his remarks on the subject of paragraph 2.
