Govt. of {188} Madras.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

---

22nd November 1880, No. 2168.

**Budget Estimate.**

Read the following paper :—

No. 132. *From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 11th November* 1880, *No.* 403.

I have the honor to submit the Budget Estimate of the Registration Department for the year 1881-82. There are slight differences as regards the actuals derived from the accounts of this office and from those of the Accountant-General, respectively, but these having been explained in the Administration Report for 1879-80, I have adopted the Accountant-General's figures in the estimate under receipts as well as charges.

2. The estimate of receipts has been fixed at Rs. 5,50,000, *i.e.*, Rs. 25,000 in excess of the estimate for 1880-81, and Rs. 20,000 in excess of the actuals for 1879-80. Judging from the actual receipts during the three years ending 1879-80, there seems every prospect of the estimate for 1881-82 being realized.

| | | | Rs. |
|---|---|---|---|
| Actuals .. | 1877-78 | .. .. | 4,45,480 |
| | 1878-79 | .. .. | 5,20,369 |
| | 1879-80 | .. .. | 5,30,178 |
| Estimate .. | 1880-81 | .. .. | 5,25,000 |
| | 1881-82 | .. .. | 5,50,000 |

3. The charges, compared with the actuals of previous years, are higher, in consequence of an increase in the number of Special Registration Offices and the expenses connected therewith.

| | | | Rs. |
|---|---|---|---|
| Actuals .. | 1877-78 | .. .. | 3,13,563 |
| | 1878-79 | .. .. | 3,50,936 |
| | 1879-80 | .. .. | 3,67,888 |
| Estimate .. | 1880-81 | .. .. | 3,75,149 |
| | 1881-82 | .. .. | 4,28,530 |

4. Under "Office of Inspector-General of Registration," the estimated charges for 1881-82 are less than the actuals for 1879-80, but exceed the estimate for 1880-81 by Rs. 224, owing to the provision of Rs. 10 a-month, the increment to the pay of the Manager of the office, and to an increase in the pay of the two probationary Sub-Registrars attached to the office, under the sanction conveyed by the Proceedings of Government, No. 82, dated the 13th January 1880.

5. The slight variation of Rs. 48 under "Office of the Registrar of Madras" calls for no remark.

6. The increase of Rs. 17,030, over the grant for the current year, under "Mofussil Registrars and Sub-Registrars, &c.," is the result of provision being made for thirty-two Special Sub-Registrars and their establishments, the sanction of Government having already been given for the employment of sixteen of this number, and there being every probability of sixteen new offices being created during 1881-82, provision for which it is desirable should be at once made.

7. The allotment under "Commission" is, for the reasons assigned in the preceding paragraph, larger than the estimate for the current year by Rs. 18,800, and the actuals for 1879-80 by Rs. 9,316, and is not susceptible of reduction.

8. The estimated "Miscellaneous" charges exceed by Rs. 17,221 the estimate for 1880-81, and by Rs. 11,150 the expenditure actually incurred during 1879-80. The increase is chiefly under the following heads :—

| | RS. |
|---|---|
| Binding | 1,800 |
| Furniture | 2,000 |
| Office-rent, Rates and Taxes | 2,311 |
| Service Postage | 800 |
| Travelling Allowance | 1,000 |
| Packing, &c. | 400 |
| Repairing Furniture | 200 |
| | 8,511 |
| Petty Construction and Repairs | 7,000 |
| Total | 15,511 |

With the increase in the number of Special Registration Offices the charges under "Miscellaneous" have necessarily increased. The charge for travelling allowance has increased by the more frequent inspection by Special Registrars of the several Sub-Registration Offices; and the charge for Petty Construction and Repairs, Rs. 7,000, heretofore a charge in the Public Works Department, is now provided for departmentally.

9. Offices for Registrars and Sub-Registrars are urgently required in many places, and I would strongly recommend that a lump sum of Rs. 50,000 be added to the Budget Estimate of charges for the current year on account of new offices, estimates and plans for which will be submitted in due course for the approval and sanction of Government.

10. The estimated value of articles, for which no cash payment will be made, aggregates Rs. 23,830.

11. The sanction of Government is solicited for the estimate of.—

| | RS. |
|---|---|
| Receipts | 5,50,000 |
| Charges | 4,28,530 |
| and for new Registration Office Buildings | 50,000 |

---

No. 133. ORDER THEREON, 22nd November 1880, No. 2168.

The Budget Estimate of receipts of the Registration Department amounts to Rs. 5,50,000, a sum exceeding the estimate for the current year by Rs. 25,000. The actuals for 1879-80 reached Rs. 5,30,178, and it is probable that the receipts for 1881-82 will be at least equal to the estimate, which will be adopted.

| | | RS. |
|---|---|---|
| Actuals | 1877-78 | 4,45,480 |
| | 1878-79 | 5,20,369 |
| | 1879-80 | 5,30,178 |
| Estimates | 1880-81 | 5,25,000 |
| | 1881-82 | 5,50,000 |

| | | RS. |
|---|---|---|
| Actuals | 1877-78 | 3,13,563 |
| | 1878-79 | 3,50,936 |
| | 1879-80 | 3,65,375 |
| Estimates | 1880-81 | 3,74,599 |
| | 1881-82 | 4,27,922 |

2. The estimated charges, including those for which no cash payments will be made, are in excess of the current year's grant by Rs. 59,361, as shown below :—

| | RS. |
|---|---|
| Office of Inspector-General of Registration | 224 |
| Do. Registrar of Madras | 48 |
| Mofussil Registrars, &c., and Establishment | 17,030 |
| Commission | 18,800 |
| Miscellaneous | 17,221 |
| Total, Cash Expenditure | 53,323 |
| Add debits for non-cash payments shown in Treasury Accounts | 50 |
| Do. do. not shown in Treasury Accounts | 5,988 |
| | 6,038 |
| Total | 59,361 |

The variations are explained by the Inspector-General, and the estimates do not appear susceptible of reduction.

The anticipated charge for Petty Construction and Repair works is Rs. 7,000. The Inspector-General of Registration urges the addition of a lump sum of Rs. 50,000 to the Budget Estimate on account of new offices said to be urgently required in many places. This suggestion will be adopted, the amount being held as a Reserve under Provincial Services and placed at the disposal of the Public Works Department on demand as soon as estimates for the offices shall have been duly sanctioned.

3. The estimates are passed as follows:—

| | RS. |
|---|---|
| Receipts | 5,50,000 |
| Charges | 4,28,530 |
| Reserve charges | 50,000 |

No. 103. ORDER THEREON, 25th August 1881, No. 2,120 W.

THE revised estimate, amounting to Rs. 1,790, for constructing a Sub-Registrar's office at Tiruturaipúndi, in the Negapatam Division, is sanctioned.

2. The sum of Rs. 2,180 was appropriated for this work in G.O., No. 977 W.,* dated 12th April 1881, and the excess allotment of Rs. 390 will be withdrawn, and credited to the reserve of Rs. 50,000 referred to in G.O., Financial Department, No. 2,168, dated 22nd November 1880.

* G.O., Financial No. 379, dated 5th March 1881.

3. This sanction has been entered as Provincial No. 62 W. of 1881-82 in the register of this office, is classified as Civil Buildings, Original Works, and cancels No. 8 B. of 1878-79.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Letter from the Inspector General of Registration, dated 6th January 1884, G. No. 20.

Under the sanction conveyed by the Government in the Public Works dept. order No. 2120, dated the 25th August 81, a Sub Registrar's office was constructed at Tiruturaipundi in the Negapatam Division of the Tanjore District and handed over to this department on the 15th August 1882.

2. On the 29th November 1882, the Sub Registrar reported that the building leaked and "that the iron bars used for all the windows except one were so very thin that they could be easily bent and displaced."

3. I sent a copy of the report to the

the Executive Engineer, and requested that he would be good enough to furnish me with an estimate for remedying any defects in the building, in view, if the charge exceeded Rs. 100, to the sanction of the Government being obtained.

4. The enclosed estimate for Rs 125, prepared by an officer of the Public Works Department has been sent in now by the Executive Engineer with the intimation "that arrangements should be made for the proper execution of the work by the Registration department."

5. The estimate is for "replacing present doors of the Sub Registrar's office by stouter ones and for protecting its windows by additional diagonal iron bars." For putting the roof in order the Executive Engineer has suggested that

A 9776 (Enc.)

that "tin tubes should be fixed to convey off the rainwater without stagnation," but has sent in no estimate.

6. The defects brought to notice are defects in original construction and as the Registration department has no competent officer to see to the proper execution of the work, I have the honor to request that you will be pleased to obtain the sanction of the Government to the necessary steps being taken by the Public Works Department for carrying out the work estimated for and contemplated.

Order thereon 16th January 1864, No 114 Rev.

The Public Works Department will be requested to arrange accordingly
