Office Note from the Examiner, Public Works Accounts, dated 2nd June 1884,
No. 148.

The above order appears to have been communicated to Public Works Department with a view to the cost of the land being adjusted in that department, but please see Code paragraph 2395, according to which the charge appears debitable to the Jail Department.

2. The land sanctioned to be acquired for the district jail at Calicut (*vide* G.O., No. 2267 W., of 14th August 1883), and for which a grant of Rs. 3,031 was assigned in G.O., No. 3193 W., of 12th November 1883, is also chargeable to that department.

No. 1480, Judicial.

The lands appear to have been taken up *after* completion of the specific works and therefore the undersigned agrees in the opinion expressed by the Examiner of Public Works Accounts that the charges in both cases are debitable to *Jails*. It is observed, however, that in the case of the Calicut jail the Public Works Department have already accepted the charge (G.O., No. 3193 W., dated 12th November 1883).

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Acting Chief Secretary to Government, dated Ootacamund, 2nd August 1883, No. 203:—

I have the honor to enclose a plan and a valuation statement of ground adjacent to the District Jail at Calicut, and to request that the sanction of Government may be obtained for its purchase.

2. The uncolored portion of the survey sketch shows the land already in possession of the Jail Department; that to be acquired is the colored portion of the sketch contained in the figures A, B, C, D, and E, F, G, H.

3. The ground now applied for is valued at Rs. 2,700-6-8; this amount includes compensation for huts at present standing on the land.

4. It is recommended that the land be purchased, as it is desirable that the ground in the immediate vicinity of the jail should not be in the holding of private individuals and be liable to be built on. The District Magistrate of Malabar considers it very desirable that the land should be acquired, for, in addition to the reasons given by Surgeon-Major Cook, the purchase of the land will render the jail property compact.

5. Letters from the District Magistrate and the Superintendent of the Jail are herewith forwarded for information.

ENCLOSURES

From Surgeon-Major H. D. COOK, M.B., Superintendent of Jail, Calicut, to the Inspector-General of Jails, dated Calicut, 2nd June 1883, No. 22.

You will remember at your last inspection of this jail I brought to your notice the incongruity of having private lands and dwellings close to the jail walls and on each side of the garden where the convicts work daily. You fully concurred with me that the lands in question should be taken up by the Jail Department, and you verbally directed that an estimate of its value be submitted. I have the honor to enclose a plan and estimate* of the valuation

* For Rs. 2,700-6-8.

of the ground, carefully prepared by the Revenue Department, and I would now strongly recommend the lands be taken up by the Jail Department for the following reasons:—

- 1st.—That it would provide labor for convicts throughout the year, and obviate their employment on public roads.
- 2nd.—It would eventually supply the jail with vegetable, the present garden being much too small in extent to yield the requisite quantity.
- 3rd.—It would provide dry earth for conservancy purposes, and receptacles (trenches) for jail excreta during the monsoon, when the reclamation ground is swamped.
- 4th.—The well and tank in the above ground if repaired will prevent any scarcity of water in the hot months.
- 5th.—In the event of any epidemic diseases in jail, sick prisoners can be isolated on the ground proposed to be taken up.
- 6th.—It would remove a source of nuisance caused at present by the owners using these parambas as latrines, which is difficult to altogether stop.

7th.—It would prevent convicts working in the garden from having interviews with, and receiving forbidden articles from, the occupants of these parambas.

8th.—Finally, it is my opinion that the small piece of ground originally taken up (present lower jail garden) for a burial-ground, conservancy trenches, and dry earth is insufficient for the purposes for which it was originally intended.

The reclamation ground will make a good coconut tops in course of time. When the trees are bearing the land can be leased; the rent will be a permanent source of income to the jail. At present very little vegetable can be grown on this land, owing to the soil being saltish. It will take some years to raise this land to the level required as well as to improve the soil, but eventually the reclamation ground and the land now proposed to be bought will repay Government for all outlay.

From C. A. GAILTON, Esq., Acting District Magistrate Malabar, to the Inspector-General of Jails, dated Calicut, 27th July 1883, No. 2999.

In reply to your letter of the 19th instant, No. 3132, regarding acquisition of some private land for the jail, I have the honor to state that I consider the improvement very desirable for the reasons given by Mr. Cook. The fifth reason especially seems a forcible ground for extending the jail premises, which are at present somewhat contracted. The enclosures are herewith returned.

READ—the following letter from J. P. DAVIDSON, Esq., Executive Engineer, Coimbatore Division, to the Superintending Engineer, Fourth Circle, dated Coimbatore, 22nd October 1883, No. 1402:—

With reference to your endorsement, No. 576, of 22nd August 1883, on G.O., No. 2267 W., of the 14th idem, I have

- 1 Bill for compensation, Rs. 3,030-13-8.
- 1 Valuation statement with translation.
- 1 Estimate
- 1 Tracing.
- 1 Collector's letter, No. 4170, of 13th October, with one enclosure.

the honor to forward a compensation bill for Rs. 3,030-13-8 for taking up land adjacent to the district jail, Calicut, for countersignature and return.

2. An estimate for the same is also submitted for sanction as required by you.

3. In the correspondence embodied in the Government Order above alluded to the value of the land is put down at Rs. 2,700-6-8; this apparently does not include the value of the well, trees, and buildings; the details of these are given in the statement of valuation which accompanied the Government Order (English translation is herewith submitted); hence the difference between the amount given in the Government Order, and the bill now submitted.

4. A specific appropriation of funds is required for the work if sanctioned.

P.S.—Under the circumstances stated in the accompanying letter since received from the Collector of Malabar, it will be observed that the land is urgently required, and should be purchased as early as possible.

No. 472 W.

Endorsement on the above.

Forwarded to the Chief Engineer, Public Works Department, with reference to G.O., No. 2267 W., dated 14th August 1883.

2. Early assignment of funds is requested, as it is necessary to acquire the lands as soon as possible.

30th October 1883.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, Fourth Circle.

Order—dated 12th November 1883, No. 3193 W., Public Works.

An appropriation of Rs. 3,031 is made from the Provincial reserve with Government on account of compensation for land taken up adjacent to the district jail at Calicut, referred to in Proceedings of Government, No. 2267 W., of the 14th August 1883.
