READ—the following letter from Lieutenant-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Daroga, 9th July 1884, No. 700:—

I have the honor to submit, for sanction of Government, a revised estimate of Rs. 2,457 for improving the divisional office at Cuddapah.

2. An estimate of Rs. 1,176 was sanctioned for this work in G.O., No. 3231 W., of 14th November 1883. This estimate provided for re-roofing the Executive Engineer's room with old materials; but they were found to be quite useless, and a new roofing has been therefore substituted for the same.

3. I request that an allotment of Rs. 1,312, (which is the balance of the estimate) may be provided, as the work is being carried out on emergency.

ORDER—dated 16th July 1884, No. 1749 W., Public Works.

The revised estimate, amounting to Rs. 2,457, for improving the divisional office at Cuddapah, is sanctioned under the explanation given in the Superintending Engineer's letter.
