17TH JULY 1884, No. 1752 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 16th June 1884, No. 185:—

I have the honor to forward, for the sanction of Government, the accompanying plan and estimate, amounting to Rs. 3,660, for constructing quarters for the deputy jailor at Salem.

2. The necessity for this building is clearly set forth in the Executive Engineer's report. The plan adopted is the same as the existing building, and is, I think, every way suitable. The deputy jailor is a European on a salary of Rs. 75 a-month.

3. The Superintendent reports that the present house is in such a dilapidated condition that it is not habitable. Until, therefore, quarters are built, Mr. Goodrich requests that permission may be obtained for the deputy jailor to occupy a house situated conveniently near the jail at a monthly rental of Rs. 30.

4. I trust Government will sanction the estimate for building these quarters, and that the work may be put in hand without delay, as it is inconvenient having the jailor living beyond the precincts of the jail.
