GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepâk, 27th June 1884, No. 503.

Under paragraph 1807 of the Public Works Code I have the honor to forward, for approval and sanction, two supplemental estimates, one relating to the telegraph office, amounting to Rs. 1,757, and the other to the post office, amounting to Rs. 3,854.

2. The telegraph office estimate embraces double rattan blinds with cloth, wooden railings over some of the counters, cast-iron rails in front of a counter, and double and single barrelled pumps.

3. The post office estimate includes a spiral staircase, iron doors at west end of large hall, iron barred partition in stationery store-room, punkahs, rails over counter, double rattan blinds, canvas blinds on rollers, and one single-barrelled pump.

4. These works have been carried out at the request of the postal and telegraph authorities, and were quite necessary to enable the officials of those departments to occupy the building with any degree of security and convenience. None of these works were provided in the sanctioned estimate, and their necesssity could not well have been foreseen.

---

From the same Officer, dated Chepâk, 3rd July 1884, No. 543.

With reference to your memorandum, No. 1182 C., dated 30th June 1884, I have the honor to request that a sum of Rs. 8,000 may be granted on account of telegraph office work. The estimate for the work has slightly been exceeded and a full explanation of this excess will be given in the completion report. Some of the above money will be needed for the stables, &c., to be built on the site near the offices.

---

ORDER—dated 17th July 1884, No. 1757 W., Public Works.

The undermentioned estimates are sanctioned, as supplemental to the general estimate referred to in G.O., No. 23 W., dated 6th January 1883 :—
