

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
the Board of Revenue, dated 21st June 1884, No.
5619, on letter from the Dy. Collector of Anantapur,
dated 12th June 1884, No. 239.

The Sahildar of Anantapur reports
that the northern fort gate of Korahodu, Anantapur
Taluk is in a dilapidated condition
and that the materials are fast going to decay
through exposure.

2. The Executive Engineer Bellary, to
whom a reference was made on the subject
states that the materials in question are
not required in his Department.

3. I have the honor therefore to request
that the sanction of Government may be
obtained for pulling down the fort gate in
question and using the materials thereof
for the erection of a village charidi. In the
event of the said materials being sold by
public auction, no bidders are likely to be
forthcoming and the mode here proposed
for their disposal seems to be the best
under the circumstances.

The

4. The fort in question does not appear
to be connected with historical associations
of any special interest.

Submitted for the sanction of
Government.

Order thereon, 14th July 1884, No. 2979.

Sanctioned.
