PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Letter—from

Colonel J. SHAW-STEWART, R.E.,
Secretary to the Government of Madras,
Public Works Department,

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

I am directed to forward, for the sanction of the Government of India, the accompanying proposition statement providing for the introduction of a permanent establishment of sub-overseers and maistries in the Madras Public Works Department.

2. The net result of the proposition amounts to an increase of Rs. 32,220 per annum to the permanent Public Works Establishment charges of this Presidency, but it is expected that the extra expenditure will be partly compensated for by a reduction in the cost of temporary establishment.

3. This proposal has been under consideration since October 1881, and after mature deliberation, and consultation with the superior officers of the department, this Government have come to the conclusion that the efficiency of the department will be promoted, and better work secured by again adding to the permanent establishment a few of the lower subordinates and petty officers of the classes named, whose services, since the reorganization of February 1880, have been non-pensionable, and whose pay has been charged to works.

4. If sanction to the present application be accorded, a fixed scale of lower subordinates and maistries will be laid down for each circle, but the posts will be filled up gradually according to requirements.

5 I am to add that from paragraph 21* of the Madras Public Works Code, it would appear that this matter, so far as regards sub-overseers, is within the sanctioning power of the Local Government, inasmuch as it is intended only to fix a permanent scale for a recognised class of lower officers; but with respect to maistries no recognised *grades* have hitherto existed, and proviso 3 to the Code paragraph above quoted, would therefore apparently apply. The Examiner, Public Works Accounts, however, considers that the sanction of the Government of India is required in both cases, and I am therefore to solicit that sanction to the proposal in its entirety.

I have the honor to be,
Sir,
Your most obedient servant,

Major, R.E.,
Under Secy. to Govt., P.W.D.

Herewith the proposition statement required.

2. The pay of a Sub Overseer 3rd Grade is Rs. 25 – 35 and not 30 – 35 as entered. The necessary correction has been made by this Office.

3. As there is at present no recognised scale of Lower Subordinates and Maistries in the P. W. Department of this Presidency, sanction of the Government of India appears necessary to their introduction with reference to para 21 (3) of the P. W. Code.
