GOVERNMENT OF MADRAS.

General.
Account.

READ—the following letter from Lieutenant-Colonel P. MONTGOMERIE, R.E.,
Superintending Engineer, I Circle, to the Chief Engineer, Public Works
Department, dated Dowlaishweram, 11th July 1884, No. 980 G.D. :—

I have the honor to request that the current year's grant of Rs. 17,500 made for
the Godávri Eastern division under "Incorporated Local Communications, Original
Works," for Kovúr-Munjair junction canal be reduced by Rs. 3,500, and the grant
of Rs. 1,000 given for the maintenance and repairs of the completed portion of the
above canal be raised to Rs. 4,500.

2. The Godávri Eastern division officer says that the above reduction is
proposed, as there will be some difficulty in spending the original grant owing to the
revised estimate of the Kovúr-Munjair junction canal not having been sanctioned as
yet, and that the increase is required, as a great deal of silt clearing was found neces-
sary at the north end of the canal and much repairs are required to the banks of the
south end.

ORDER—dated 28th July 1884, No. 1830 W., Public Works.
