28TH JULY 1884, No. 1832 W., PUBLIC WORKS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

LETTER—FROM

COLONEL J. SHAW-STEWART, R.E.,

Secretary to the Government of Madras,

Public Works Department.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to refer the following case for the consideration of the Government of India.

2. In June last, Mr. J. Paul, Temporary Executive Engineer, in charge of the West Godavari division, proceeded on privilege leave for 3 months, and the divisional charge fell to Mr. W. C. Lewis, an Assistant Engineer, 1st grade, on the permanent establishment. In ordinary cases, when the charge of a division devolves on an Assistant Engineer through the absence of the Executive Engineer on privilege leave, it is the practice to gazette the former as Officiating Executive Engineer.

3. In consequence, however, of Mr. Paul being a Temporary Executive Engineer sanctioned against one of the temporary divisions, but occupying a permanent post (an arrangement recently allowed by the Government of India), his *locum tenens*, during the period of his absence on privilege leave, can, in the opinion of the Examiner, Public Works Accounts, draw no charge allowance, although fully responsible for the division. This, I am to point out, is a hardship on the acting officer, which, it is hoped, the Government of India will consent to remove, both in the case of Mr. Lewis, and in similar cases when such unavoidably occur.

I have the honor to be,

Sir,

Your most obedient servant,

Major, R.E.
Under Secy. to Govt., P.W.D.

As regards Mr Lewis' case the
fact of his being a temporary
employee is to be addressed,
it being represented that in consequence
of his being a temp. by 4th,
and against one of the temp. Division
but occupying a permanent post, as
usually stated by 1st under the
special circumstances referred to, his "con-
tinuous" during the period of his absence
on priv. leave, can draw no charge
allowance though fully disposable for
the Division, and that this is a head-
ship matter acting officer which it is
hoped will be removed in the case of
Mr Lewis, and in similar cases when
such unavoidably occur.
