From Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 4th July 1884, No. 925 G.D.

2. The arrangement proposed appears to have been in force some years ago, and an early return to it is very much required owing to the extra building work now in hand. I shall feel much obliged by your favoring me with a telegraphic reply to this communication.

I doubt if there are 5 Sub
Divisions in the present P. D. District
Division, though one of them
is the Workshops Sub. Division
an exceptional arrangement.
I see no objection to the
District Sub. Division being made
into two Sub Divisions, as the
Genl. Insp. & P. Insp. consider
necessary, but I object to the
new Sub. Division being called
Western District Sub. Dist. as
the new P. D. Sub. Division is to
include all works within the
District limits of the Toolikabaga
District it would be better to
call this Sub. Dist. the Southern
P. D. & the other the Southern
P. D.

There are already
5 Subdivisions in the
Godavari Eastern Division.
It does not seem to have
been considered whether
the required relief in
Eastern Delta Subdivision
cannot be afforded
by redistribution of
existing establish-
ments within of the
Eastern Division or of
other Divisions of the
I Circle which con-
tains 4 Permanent
Divisions & 12 Subdivisions
altogether.

I was told that since
the Central Delta had been under
Canning Division there were 5
Sub-Divisions in 2 Delta. Can you
tell me what they are?

Careful Search has

23/7/84

been made among the records here, but nothing can be found to throw light on the territorial limits of the Subdivision of the Eastern Godavery Division. The Statement of authorized Divisions and Subdivisions printed at the end of the Graduate List shows that 5 Subdivisions have been sanctioned for this Division. The Madras office will have information as to territorial distribution.
