MADRAS, 9 June 1882.

Sir,

I have the honour to address you on the following point. -

A few months ago under Mr. Parkes advice I sent Mr. Boteler the Foreman of Mooring operations to Coconada, and to Negapatnam in order to purchase boats to make into a pontoon from which to screw mooring &c. Mr. Boteler is not in the Public Works Department and I allowed him all his expenses including living and hotel expenses, as is usually done when Foremen or Assistants are sent away in England for short periods on work. The audit of his expenses amounting to about Rs 100 for each journey has been

deferred

deformed by the Examiner P.V. Accounts.
I shall be obliged if you would accord me
sanction for their disbursement. -

Sir, With regard to G.O. 1611.W of the
27 June last I have the honour to
inform you that the Examiner of
P.W. Accounts now states in his
Letter to me dated 5th Instant that
Mr. Boteler, one of my Foreman whom
I sent partly in the year to Cocanada
and to Negapatam to purchase boats,
may with your approval draw batta
under Paragraph 616 of the P.W.
Code - I shall be glad if you would
accord your sanction to this, as it
is a matter of dissatisfaction that
a Foreman should have the settle-
ment of his travelling expenses
put off for so long a period,
especially as so far as I know

by his agreement he has nothing
to do with the Public Works
Department.

FROM

THE SUPERINTENDENT,
MADRAS HARBOUR WORKS,

TO

The Secretary to Government.
P. W. Department

MADRAS, 5th July 1882.

Sir, I have the honor to inform you
that Mr. Parkes Engineer in Chief, Madras
Harbour Works is anxious to have pur-
chased, if it can be obtained, some sort
of craft with engine and crab, or to
which an engine and crab could be
fitted, to be used in raising some of the
capsized but uninjured blocks now lying
along the line of direction of the pro-
posed new breakwaters. I have
written to Calcutta and to Bombay
to enquire if any such could be
obtained at either place.

2 I beg to ask you if I may, if the
necessity should arise, either go myself
or send an English foreman to either
of those towns or to any other Indian
or Colonial port should a suitable boat

be heard of, to inspect the same.
I ask this because on the last occasion
that I sent an English foreman to other
ports to purchase boats with the Engineer
in chief's special directions and
knowledge, his (the English foreman's)
hotel expenses were not allowed by
Government to be paid. It is always
the custom to pay to assistants
and Foremen these expenses in
full in England, and the circum-
stances of their not being paid on the
occasion referred to caused a good
deal of dissatisfaction at the time
which I am anxious should not
occur again if it can possibly be
avoided. - I have therefore respectfully
to ask, if it should be advisable for
me to go or to send a Foreman away
to inspect a proposed purchase, ^{that} hotel
as well as travelling expenses may
be guaranteed in either case, but it
may be added that it is unlikely I
should go myself (though I should
prefer to do so) as I could not well

will leave the Works at the present
time..
