OFFICE OF THE SUPERINTENDING ENGINEER,  
6TH CIRCLE.

Supg Engineer's Office IV Circle  
Coimbatore. July 1884.

From  
The Superintending Engineer  
IV Circle

To.  
The Chief Engineer  
P.W. Department.

Sir,  
With reference to G.O. N° 12024  
of 12<sup>th</sup> May 1884, I have the honor to re-  
port that the delay in the submission  
of the work-vouchers for the works in the  
Nilgiri Division has hitherto been prin-  
-cipally due to the late receipt in the  
Divisional Office of the ten day reports  
from Sub-divisional Offices; but also  
to the unsatisfactory manner in which  
which they were prepared and sub-  
-mitted. This state of Affairs  
has now been, to some extent, recti-  
-fied; and the Executive Engineer  
hopes that in future work-vouchers will  
ordinarily be despatched with the  
Monthly

O.S. statement  
in IV Circle,  
more with sub-  
-sequent statement

## Monthly Accounts.

2. The preparation of work vouchers for the Mulliapuram barracks for February 1884 was delayed owing to the non-receipt of the Contract Certificate of Messrs Wolsely Smith & Co., to whom a payment of Rs. 1157 had been made by the Sub-Divisional Officer on the 25<sup>th</sup> February 1884. The voucher in question was only received in the Division Office on the 27<sup>th</sup> April 1884.

3. The Executive Engineer has been instructed to arrange with the Contractors for the appointment of an Agent at Mulliapuram to receive payments and grant receipts. This arrangement will remove the cause of delay in the submission of future work vouchers.

I have the honor to be

Sir

Your most obed<sup>t</sup> servant.

L. Beatty. Colonel R.E.

Superintending Engineer to Circle
