4TH AUGUST 1884, No. 1885 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepák, 17th June 1884, No. 433—Through the Superintending Engineer, VI Circle:—

With reference to paragraph 2 of Public Works G.O., No. 170 W., dated 19th January 1884, I have the honor to submit four plans and three estimates for carrying out all the improvements named in paragraph 6 of the Committee's report printed with that Government order.

2. The estimates have been prepared in conjunction with the Executive Engineer, Madura division.

3. This and all similar works connected with the Madura palace should, I consider, be carried out by the Executive Engineer, Madura division, in the usual way under the Superintending Engineer on the lines of the sanctioned plans and estimates. The Consulting Architect will occasionally visit the work and at all times give his advice and assistance in furnishing any further detailed plans or supplying from Madras any constructive details that may be required. The plans and estimates having been once fixed, and the latter having been prepared by the Executive Engineer, Madura division, there ought to be no difficulty in this arrangement, which is the one adopted by the Bengal Government in works executed from designs by their Consulting Architect.

ORDER—dated 4th August 1884, No. 1885 W., Public Works.

The estimates, amounting to Rs. 15,735, for effecting certain improvements at Tirumal Naick's palace at Madura, are sanctioned.

2. The proposed work is divided as follows:—

	RS.
(a) Constructing a property-room at the south-east corner of the judge's court	320
(b) Rebuilding the east aisle and converting the Muhammadan school into a record-room for the judge's court	14,375
(c) Locating judge's chambers and bar library in the southern gallery of the judge's court	1,040
Total ...	15,735

3. The sanctions already accorded for work at the palace amount to Rs. 1,64,723. The total sanction will now stand at Rs. 1,80,458. The expenditure on the works to the end of 1883-84 amounted to Rs. 2,31,962, and the current year's budget grant is Rs. 17,498. The outlay is thus greatly in excess of sanctioned estimates, and further estimates to cover the irregular expenditure should be submitted with the least possible delay.

4TH AUGUST 1884, No. 1885 W., PUBLIC WORKS.

4. The measures proposed by the Consulting Architect for the execution of the work are approved.

5. The sanction accorded in paragraph 1 of this order has been registered as Provincial No. ^{108 W.}_{1, 2 and 3} of 1884-85, and classified as Civil Buildings, Original Works.
