GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

Proceedings of the Government of India, Department of Finance and Commerce,  
dated Simla, 20th June 1884, No. 1517.

Pay and Allowances—Travelling Allowances—Rules and General Matters.

Read—

Letter from the Government of Madras, No. 2640, of 2nd November 1883, submitting  
papers connected with a claim of the Director of Revenue Settlement for the cost  
of carriage of two horses and one carriage by rail on a tour in the Madura district,  
and recommending the charge for two horses and a carriage in lieu of four horses,  
the number fixed for the Director under section 13, Travelling Allowance  
Code.

Letter to the Government of Madras, No. 92, of 10th January 1884, pointing out that  
section 13, Travelling Allowance Code, is intended to provide only for occasional  
and exceptional journeys, and does not apply to journeys on ordinary tours, and  
requesting information as to the circumstances of the Director's journey with a view  
to determining whether section 13, Travelling Allowance Code, was applicable.

Letter from the Government of Madras, No. 745, of 2nd April 1884, inquiring, with  
reference to letter No. 92 cited above, whether in other parts of India the tours of  
police officers are treated as ordinary for the purposes of section 13, Travelling  
Allowance Code.

Letter from the Government of Madras, No. 945, of 30th April 1884, forwarding enclosures  
showing the circumstances under which the Director of Revenue Settlements  
conveyed by rail horses, &c., on the journey referred to in the letter No. 2640 above  
cited.

Resolution—

It is not unfrequently necessary, in the interests of the public service, that  
officers travelling on public duty or on transfer from one office to another should carry  
their camp equipment and horses by rail or steamer, but section 13 of the Travelling  
Allowance Code does not permit the grant of the cost of carriage in all such cases.

2. The Governor-General in Council is willing that local Governments should  
have the power of allowing payment of the cost of carriage of camp equipment and  
horses by rail or steamer in all cases in which they are satisfied that it is in the  
interest of the public service that the camp equipment and horses should be so  
conveyed.

3. The Governor-General in Council therefore directs that the word "circum-  
stances" be substituted for the word "orders" in the fourth line of section 13,  
Travelling Allowance Code, and leaves the application of the rule as thus altered to  
the discretion of the local Governments.

*Order—*

Ordered that a copy of this Resolution be communicated to the other departments of the Government of India, to all local Governments and Administrations, to the Comptroller and Auditor General, and to all Accountants-General and Comptrollers for information.
