READ—the following papers:—

From Colonel F. S. STANTON, R.E., Deputy Secretary to the Government of India, Public Works Department (Railway Stores), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 17th July 1884, No. 113 R.S.

With reference to correspondence ending with Public Works Department No. 543 G. of 6th May 1884, I am directed to suggest that Mr. Gray, the Public Works Storekeeper at Madras, may, with the approval of His Excellency the Governor, be placed in direct communication with the Director-General of Railways on the one hand and with the Engineer-in-Chief of the State lines under construction in Madras on the other, in regard to all matters connected with the landing and forwarding of Railway stores and material.

From Captain W. L. C. BADDELEY, R.E., General Superintendent, Public Works Stores and Port Storekeeper, Public Works Department, to the Deputy Chief Engineer, Public Works Department, dated Madras, 25th July 1884, No. 511/2 S.

In returning, herewith, letter from the Government of India, Public Works Department, forwarded for my remarks, I have the honor to state that the Government having appointed the General Superintendent, Public Works Stores as Port Storekeeper,* the duties appertaining thereto have been performed by me, and as I have been in direct communication with the Director-General of Railways, Simla, and officers of State Railways for some years, there seems no necessity for altering this arrangement. Mr. Gray performs his duties in receiving and forwarding all State Railway stores in addition to his duties as Storekeeper, Public Works Department, under my orders; no change in this respect seems desirable.

* G.O., No. 1035 R., of 26th September 1883.

If the Government will be pleased to gazette me as Port Storekeeper, Madras, and communicate the same to the Government of India, my position as such will at once be recognized, and all difficulties in connection with State Railway stores will be removed.

ORDER—dated 7th August 1884, No. 1918 W., Public Works.

The duties of Port Storekeeper at Madras are performed by the General Superintendent, Public Works Stores, who is already in direct communication with the Director-General of Railways and the Engineers-in-Chief of State lines under construction. The Government see no reason to disturb this arrangement, and the Government of India will be informed accordingly.
