READ—the following papers :—

From J. B. PENNINGTON, Esq., Acting Collector of Tanjore, to the Secretary to Government, Public Works Department, dated Talainayar, 24th June 1884, No. 3468.

I have the honor to report that land to the extent of 2 acres and 2 cents in Séshamúlai, Velangudi, Nadukandangudi and Vanjiyur Kevilpattur, in Nannilam, and Nalladai and Perayár, in Máyavaram taluks, are required for the construction of huts for the land custom police in Séshamúlai, Velangudi, Kovilkandangudi, Sannamangalam, Nalladai and Nandalar stations; and as it is desirable, in order to ensure to Government an indefeasible title to them, to acquire the lands under the provision of the Land Acquisition Act X of 1870, I herewith forward a draft declaration, under section 6 of the Act, that they are needed for a public purpose, and request that you will be good enough to order the same to be published in the *Port St. George Gazette*.

From F. BAGSHAWE, Esq., Acting Superintendent of Police, Tanjore, to the Superintending Engineer, VI Circle, dated Tanjore, 17th July 1884, No. 173.

In acknowledging the receipt of your letter, No. 569 T.J., dated the 12th instant, I have the honor to inform you that, from a communication lately received from the Collector of Tanjore, I find that he has forwarded a draft declaration to Government in last month in view to the usual notification being published in the *Port St. George Gazette* regarding the acquisition of sites for the land custom police huts under the Land Acquisition Act. As soon as the notification is published by Government I will have the necessary arrangements made for settling the compensations for the sites, and communicate the result to you.

No. 643 T.J.

Endorsement on the above.

Copy forwarded to the Chief Engineer, Public Works Department, for information, with reference to the remark in the unanswered reference list for the half-year ending 31st March 1884, submitted from this office on the 14th July 1884.

Superintending Engineer, VI Circle.

From J. B. PENNINGTON, Esq., Acting Collector of Tanjore, to the Secretary to Government, Public Works Department, dated 26th July 1884, No. 4261.

With reference to your memorandum, No. 339 E., dated the 30th June 1884, and reminder thereon, dated 15th instant, I have the honor to report that the Superintendent of Police, Tanjore, informs me that no sanction was obtained for the construction

of the huts for the land custom police. He further says that the Superintending Engineer, VI Circle, had requested his predecessor, Colonel Rolland, in pursuance of G.O., No. 375 W., dated 22nd February 1883, to submit the necessary estimates for these works, and accordingly he made the requisition for acquiring the sites for the construction.

ORDER—dated 8th August 1884, No. 1927 W., Public Works.

The issue of the notification for the acquisition of the land in question will be deferred until the estimates for the construction of the police huts are received. For the purposes of the estimates to be framed by the Superintending Engineer, the sites can be valued by the Collector. They need not be fully acquired.

P.T.O.

I submit that the issue of the
proposed acquisition of the land
should be deferred until the
estimates are received from the
Supt. Eng. It is probable that
they will exceed the amount of
the estimates framed in the Res.
Sept. For the purposes of the
estimates to be framed by the Supt.
the sites can be valued by the
Comptroller and need not be fully ac-
quired. It is possible that under
impending changes in police
may be relieved of the duty of
guarding this frontier, but the
battalions would probably be useful
for the special force which would
be organized in such event.
