Account.

READ—the following letter from E. BARCLAY, Esq., Government Solicitor, to the Secretary to Government, Public Works Department, dated Madras, 2nd July 1884, No. 333 :—

With reference to the Order of Government, Public Works Department, No. 1524 W., dated 19th June 1884, I have to inform you that the conveyance from the Trustees of the Will of the late Colonel Winscom to the Secretary of State of the property at Bezvada known as "Orr's Hill" has been executed by me as Attorney of the Trustees and registered. I shall therefore be obliged by the instructions of Government as to how I am to dispose of the conveyance and by payment of Rs. 4,000, the amount of the purchase-money of the property.

2. A claim has been preferred by the Solicitors in England of the Trustees, for rent of the premises, which they allege were for some time, and I believe have been up to date of completion of the conveyance, 25th June 1884, in the occupation of Government. I am not however sure as to this, and the Trustees do not state the rate at which the rent is payable; but the late Mr. I. C. Winscom, the administrator in this country of Colonel Winscom's estate, recovered rent, I understand, from Government; and, if so, it would seem as if rent were due for such period as Government may have occupied the premises at the rate previously paid to the administrator.

ORDER—dated 17th July 1884, No. 1753 W., Public Works.

The Superintending Engineer, V Circle, will arrange for the disbursement to the Government Solicitor of Rs. 4,000, the price of the property at Bezvada known as "Orr's Hill." The amount will be debited in transfer to the Kistna Eastern division, and a specific appropriation of funds will shortly be made.

2. The conveyance should be forwarded to the Government Secretariat for safe custody.

3. The Superintending Engineer, II Circle, will make inquiries and report on the subject of paragraph 2 of the Government Solicitor's letter. The house appears to have been hitherto occupied by the Head Assistant Collector, and it should be ascertained to whom the rent has been paid.
