Resolution.—Since the issue of Home department resolution No. 1—70-86, dated 30th June 1882, which permitted the levy of municipal taxation on Government buildings in cantonments, the Governor-General in Council has been advised that the exemption of such buildings in cantonments from municipal taxation is authorized under Section 24, Act III of 1880, and that the practical difficulties in the way of removing such exemptions are found to be insuperable. SIR,

Enclosures.

Adverting to G.O. No. 921 of 25th Feby/84 in the Military Department, I have the honor to request that an appropriation of Rs. 1081 under Imperial Military Repair may be made to meet the assessment claimed by the Municipality of Bellary on the Sepoys' Huts from 1st April 1880 to 21st Decr. 1883. This sum cannot very conveniently be met from the current year's repair grant which is fully required for works in progress or in contemplation.

Is there anything on record
to show why payment of the
municipal demand was allowed
to fall so much into arrears?
The payment has now made for claim
from April 1880 - but f.f. I. Resolution
exempting cantonments from taxation
is dated December 1883, and prior
to that I presume payments were
made by the Dept^t without demand.
We have absolutely no money to
open under military, & we have
now to pay arrears of 3 to 4 years.
