LETTER—from

COLONEL J. SHAW-STEWART, R.E.,

Secretary to the Government of Madras,

Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

In continuation of my letter, No. 1568 W., dated 21st June 1884, I am directed to forward, for the sanction of the Government of India, the accompanying plans and estimates, the latter amounting to Rs. 15,510, for converting certain existing buildings on the beach at Madras into stables for the Postal Department; the necessity for which was explained in my letter, No. 3334 W., dated 22nd November 1883.

2. The Government of India will observe from the proceedings of Government, No. 1261 W., dated 19th May 1884 (a copy of which accompanied my letter of the 21st June quoted above), that the question respecting the best practicable arrangements for the required stabling accommodation has engaged considerable attention; and that, after careful consideration of the various proposals which had been made, the Government decided that the conversion of the Commissariat mule stables, for which the present estimate provides, would be the most suitable, having regard both to convenience and economy.

3. Stabling for the Commissariat mules will have to be provided elsewhere, at an approximate cost, to the Post office, of Rs. 14,000. The detailed plans and estimates for these stables are now under preparation. When completed, they will be sanctioned for execution in advance of those for the Post office, as it is requisite that shelter should be provided for the mules before the existing stables on the beach can be made available.

I have the honor to be,

Sir,

Your most obedient servant,

Major, R.E.,
Under Secy. to Govt., P.W.D.

This draft does not seem to me to place the circumstances before the G. of I sufficiently clearly.

No reason is assigned for the two statements in para 3 of Rep^t—

(1). that the work will not be begun until the mule stables are built elsewhere.

(2). that the cost of the mule stables is to be borne by the P. office.

It appears to me that it will be necessary to explain the matter at some length, and to forward for information Copy of Para: dated 19-5-84 W^o. 1261 VI.
