What are the objections
to carrying out so much
of the Comtee's recommendations
as to ~~place~~ the Shops, &c.
on the footing of a P.W.
Division?

Would the change
involve increased cost?
& if so to what extent
& in what direction?

Would sanction from
India be necessary?

W.

8-84

There seem to be
no objections to the
Workshops & Stores being
formed into a Division
aboves. The sanction
of the Govt. of India would
not be required.

The only additional
cost would be the 2
pay of the Superintendent

Adverting to the order
which came from the
on Saturday last, con-
verting the P. W. Notes
& W. Notes, into an
ordinary P. W. division,
P. W. desires me to
inquire whether anything
has been decided as
to the date, the order
is to take effect.

Nothing is said on
this point in the Draft
order, under ordinary
order, the measure will
come into force with
effect from the date
of the order.

The disallowance
list on which Capt
Puddeley wrote his
representation, was
on the salary list for
June. He presented

in claims for that month
from 1st July

Gov. thinks that the
formation of the new Division
should have effect
from date of the Committee
report, or from date of
G.O. 1494 W.

Report is now
in the press

S. A. W.

It was not intended
that the order should
have retrospective effect.
It would look very
strange as if it was
passed on grounds
personal to Captain
Baddely. If Captain
B prefers a claim to
increase of pay. Such claim
will come up on its
merits. L.S. 12/11/84
