Read—the following letter from J. B. PENNINGTON, Esq., President, Local Fund Board, Tanjore, to the Secretary to the Board of Revenue, dated 23rd July 1884, No. 1153 :—

With reference to the proceedings of the Board of Revenue, Mis. No. 5380, dated 17th June 1884, communicating G.O., No. 1411 W., of the 5th idem, I have the honor to report that the width of sanding for the village road, 3 yards, shown in the specifications is a clerical error, and that it should be 4 yards as stated in the detailed estimates of the two works noted in the margin.

Resolution—dated 7th August 1884, Mis. No. 7375.

Submitted to Government, with reference to paragraph 2 of G.O., dated 5th June 1884, No. 1411 W.

READ—the following papers:—

No. 227 T.J.

Report by the Superintending Engineer, VI Circle, on the estimates for forming village roads from Thirunagari to join road No. 43 and from Streevanjiam to Manakal, in Shiyali and Nannilam taluks, Tanjore district, Rs. 5,300 and Rs. 6,900, respectively.

These two estimates are for village roads joining two main roads; the necessity for these works is not shown, nor proper surveys and sections are submitted. The roads are to be formed with earth (top width 5 yards) and sanded over to a breadth of 3 yards. Cross sections of streams are given, but as no maximum water-levels and the nature of the soil are marked on them, this office is unable to give any opinion as to the sufficiency or otherwise of the water-way and foundations allowed for masonry works; but it is presumed that the Local Fund Engineer has thoroughly examined these points and satisfied himself.

2. The road from Thirunagari to road No. 43 is stated to be in continuation of the road from Thirunagari to Palayapoliem, which, if completed, will give a thorough line from Coleroon bank at Mahandrapally to Thiruvangadoo. As the road passes through peramboke and waste lands no compensation for land is required.

3. The road from Streevanjiam to Manakal joins the Thattagudy, Nadagudy, &c., villages with the roads Nos. 14 and 16.

4. The rates are fair and the estimates are recommended for sanction.

KODAIKANAL,
12th May 1884.

(Signed) H. R. MEAD, Lieut.-Col., R.E.,
Superintending Engr., VI Circle.

Note by the Chief Engineer, Public Works Department.

The estimates are submitted for the sanction of Government.

2. With regard to the width of sanding for the roads, it is noted that the specifications and estimates do not agree. It is suggested that the Local Fund Board should, in communication with the Superintending Engineer, decide on the exact width to be adopted.

26th May 1884.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Chief Engineer, P.W.D.

ORDER—dated 5th June 1884, No. 1411 W., Public Works.

The undermentioned estimates are sanctioned, and registered as shown below :—
