29TH JULY 1884, No. 1870, JUDICIAL.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 7th June 1884, No. 178.

In attention to Jail Rule 617, I have the honor to submit, for the information of Government, the accompanying papers reporting a murderous assault in the District Jail at Mangalore upon a convict named Billa Kotie by an under-trial prisoner named Muddaya.

2. It appears that the under-trial prisoner, Muddaya, committed to the Sessions Court charged with murder, was admitted into the hospital by the Assistant Surgeon for an ulcer on the thigh. On the night of the 13th of May this prisoner seized part of his bed, and whilst Billa Kotie was sleeping he fell upon him and fractured his skull. This is said to have occurred at 9 o'clock P.M., and the man died in about two hours.

3. The Superintendent, Surgeon Lee, was at the time absent from Mangalore on district inspection duty, and the Assistant Surgeon admitted into hospital the man Muddaya. This I think was a mistake, particularly as no special precautions were taken to watch the murderer; at the same time it must be pointed out that there is no proper accommodation in this jail for such persons.

4. In G.O., 5th December 1882, No. 3201 W., Government sanctioned the construction of three cells for condemned prisoners in this jail. Plans and estimates were submitted in April last and the work was sanctioned in G.O., 7th May 1884, No. 1152 W., Public Works, but funds have not as yet been allotted. The estimate amounts to Rs. 2,770, and I beg to suggest that instructions be issued in the Public Works department to commence the construction of these cells without delay. Should there be difficulty about funds, I would suggest that the amount required be taken from the allotment granted in G.O., No. 2385, dated 18th October 1883, Financial department, for "34, Other Public Works in charge of Civil Officers."

Memorandum from Colonel J. SHAW-STEWART, R.E., Secretary to Government, Public Works department, to the Chief Secretary to Government, dated Ootacamund, 26th June 1884, No. 323 E.

In returning the letter from the Inspector-General of Jails, referred under Judicial department endorsement, No. 1283, dated 14th June 1884, the undersigned has the honor to state that no funds are available at present from the Public Works grant for the construction of three cells for condemned prisoners at the District Jail, Mangalore (estimate of Rs. 2,770 sanctioned in G.O., No. 1152 W., dated 7th May 1884). If, however, an allotment can be placed at the disposal of the Public Works department from the source indicated by the Inspector-General in paragraph 3 of his letter, orders will be issued to put the work in hand at once.

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 21st July 1884, No. 218.

Adverting to your endorsement, No. 1565, dated 15th instant, on memorandum from the Secretary to Government, Public Works department, No. 323 E., dated 26th June 1884, herewith returned, I have the honor to request you will be good enough to issue the necessary orders to the Accountant-General to place the amount of the estimate, viz., Rs. 2,770, at the disposal of the Public Works department out of the sum allotted to this department, as suggested in paragraph 3 of my letter, No. 178, of the 7th June last.

ORDER—dated 29th July 1884, No. 1870, Judicial.

The Accountant-General is requested to place the sum of Rs. 2,770, sanctioned for the construction of three cells for condemned prisoners at the Mangalore Jail, at the disposal of the Public Works department out of the sum allotted to the Jail department in Financial Proceedings, dated 18th October 1883, No. 2385, for "34, Other Public Works in charge of Civil Officers."

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secre-
tary to Government, dated Mangalore, 16th November 1882, No. 317.

I have the honor to bring to notice the want of proper accommodation for
prisoners under sentence of death in the District Jail at Mangalore. On inspecting
the jail I found four condemned prisoners confined in one cell, which ought not to be.
I therefore request instructions may be issued in the Department of Public Works for
the preparation of the necessary plan and estimate for the construction of three cells
for condemned prisoners in the District Jail at Mangalore.

2. The dimensions and size of the cells may be similar to those sanctioned for
the new District Jails at Palamcottah and at Tanjore. But in consequence of the
heavy rains at Mangalore the roofs will have to be tiled with boarded ceilings. There
should be a verandah in front of the cells for the protection of the Police guard
watching the prisoners.
