16TH AUGUST 1884, No. 2022 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

Proceedings of the Government of India in the Public Works Department (Account—General), dated Simla, 18th July 1884, Circular No. VII, Public Works.

Rate of exchange to be charged in administrative accounts on English stores supplied for works for which Capital and Revenue Accounts are kept.

Read—the following :—

Public Works Department Circular No. 57, Public Works, of 1875.
Public Works Department Circular No. XX R. of 1881.

Read also—

Public Works Department No. 305 A.G., dated 2nd November 1883.

Resolution—

In supersession of the orders issued in the circulars read above, the Government of India is pleased to rule that, with effect from the 1st April 1884, the charge for exchange entered in the administrative accounts of State Railways and Irrigation Works for which Capital and Revenue Accounts are kept and in the administrative accounts of the Telegraph Department shall be calculated at the rate of exchange fixed each year for the adjustment of financial transactions between the British and Indian treasuries.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Resident at Mysore (through Foreign Department).
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Superintendent of Port Blair and Chief Commr., Andaman and Nicobar Islands.
The Director-General of Telegraphs.
The Inspector-General of Military Works.
The Superintendent of Works, Simla Imperial Circle.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Director-in-Chief, Indo-European Telegraph.
The Director, Persian Telegraph.
The Director, Persian Gulf Telegraph.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Comptroller-General.
The Accountant-General, Bengal.

Order—

Ordered, that a copy be forwarded to the Local Governments and Administrations and Officers noted in the margin for information and guidance.

Ordered also, that a copy be forwarded to the Officers noted in the margin for information.

Exchange

Government of India Circular fixing the rate at which to calculate the charge for — entered in the administrative accounts of State Railways and Irrigation Works for which Capital and Revenue Accounts are kept and of the Telegraph Department, communicated to officers concerned.

Proceedings of the Madras Government, Public Works Department,
8th November 1875.

No. 207. Read the following Circular of the Government of India, Public Works Department, (Account-General,) dated Simla, 14th October 1875, No. 57 :—
Charge for exchange on materials purchased in England or payments made in England for works for which Capital and Revenue Accounts are kept.

Read the following :—

RESOLUTION by the Government of India, Financial Department, dated 14th July 1873, No. 1,666.

THE Governor-General in Council has considered whether the cost of remitting funds to buy in England materials for Extraordinary works should be included in the "Extraordinary" account.

2. The Secretary of State for India recently objected to the distribution of the item "Loss by Exchange" among the several services to which it properly belongs.

3. The charge cannot therefore be debited as Extraordinary in the Finance and Revenue Accounts.

4. But in any statement prepared, apart from the Finance and Revenue Accounts, to show the true cost of these works, count should always be taken of the charge for remitting funds expended in England.

ORDER.—Ordered that a copy of the above be forwarded to the Public Works Department, and the Comptroller General.

RESOLUTION.—In order to give effect to the decision recorded in the Resolution above read, which applies to Ordinary as well as Extraordinary works for which Capital and Revenue Accounts are kept, the Governor-General in Council has been pleased to rule that the cost of remitting money to England to meet the expenditure incurred by the Secretary of State should be distinctly exhibited in all accounts, and statements of such works other than the Finance and Revenue Accounts, and that the amount of outlay thus incurred should be debited to a distinct head "Loss by Exchange." Provision for such charge should, of course, be made in the estimates of the works concerned in precisely the same way as Establishment or Tools and Plant is estimated for. Pending the issue of further orders, this provision may be made at the rate of 1s. 10d. per rupee. In estimating probable returns from the works concerned, the probable charge for exchange on English transactions should also be taken to account.

2. As the outlay in England on State Railways is not debited in the Home accounts to the Railways on which the stores are likely to be used, the charge for each year will be calculated on the whole of the payments during such period by the Accountant-General, Public Works Department, and will be distributed by that officer, in communication with the Director of State Railways and the other authorities concerned, to the several Railways in proportion to the expenditure in England charged to each Railway during such year. In cases of transfer of stores procured from England from one Railway to another, or from a Railway to an Irrigation or other work, a transfer to cover the charge for exchange due to the stores transferred should also be made by the Controllers concerned in communication with the Accountant-General, Public Works Department. In giving effect to these orders, it must be carefully remembered that no debits or credits on account of exchange are to be taken to account in the Finance and Revenue Accounts, but only in the administrative accounts of the department. The necessary instructions on this point will be issued by the Accountant-General, Public Works Department.

*Proceedings of the Madras Government, Public Works Department,
8th November 1875.*

3. In the administrative Revenue Accounts of State Railways and Irrigation Works, a charge should be raised for loss by exchange on the value of all stores procured from England and debited to Revenue.

4. These orders are to have effect from 1867-68, and in order to admit of the necessary adjustment being now carried out, the average rates of exchange and the

Year.	Expendi- ture in England.	Rate of exchange.	Amount at that rate.	Amount at the rate of 2s. the rupee.	Amount of exchange.
	£	s. d.	rs.	rs.	rs.
1868-69 ...	338,655	1 11 123	35,14,993	33,86,550	1,28,443
1869-70 ...	79,213	1 11 25	8,17,682	7,92,130	25,552
1870-71 ...	50,463	1 10 52	5,27,794	5,04,630	33,164
1871-72 ...	146,853	1 11 1	15,25,745	14,68,530	57,215
1872-73 ...	299,092	1 10 76	31,53,870	29,90,920	1,62,950
1873-74 ...	954,735	1 10 347	1,02,53,564	95,47,350	7,06,214
1874-75 ...	1,031,557	1 10 221	1,11,41,428	1,03,15,570	8,25,858
Total...	2,900,568	...	3,09,45,076	2,90,05,630	19,39,396

resulting charges for the State Railways for the several years are noted on the margin. The debits for loss by exchange should also be made on account of the payments in England for the purchase of the Calcutta and South Eastern State Rail- way and the Orissa Irrigation Works, as well as all other works for which Capital and

Revenue Accounts are kept up. The Accountant-General, Public Works Department, should take the necessary steps to ensure that the arrear charges for exchange are included in the administrative accounts for 1875-76, and that the charges are regularly adjusted for the future.

ORDER.—Ordered that this Circular Resolution be communicated to the several Governments of Madras, Bombay, Bengal, North-Western Provinces and Punjab. Chief Commissioners, Central Provinces, British Burmah, Oudh, Mysore, Assam and Andaman and Nicobar Islands, Governor-General's Agents, Rajpootana and Central India, and the Resident at Hyderabad.

Ordered also, that a copy be forwarded to the Financial Department for information.

A. J. FILGATE, Lieut.-Colonel, R.E.,
Depy. Secy. to the Govt. of India.

No. 3529, dated 29th September 1883.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read again—

Resolution in this Department, No. 997, dated 20th February 1871, in which it was
decided that, for stores received from England for the Nizam's State Railway, the
Nizam's Government should be charged loss by exchange on the value of such stores
calculated at the annual average of the rates of exchange at which the Secretary of
State purchased his bills in India.

Resolution in this Department, No. 4576, dated the 26th October 1871, in which the
Government of India agreed, on a representation made by His Highness the
Nizam's late Minister, that the calculation of the value of stores supplied from Eng-
land for the use of the Nizam's State Railway should be based on the rate of
exchange of the Secretary of State's drawings in India for the month in which the
stores were supplied.

Order in this Department, No. 1302, dated the 18th July 1882, which directed that, for
the valuation of stores sent out from England for use of Railways constructed by
Native States, exchange should be calculated as laid down in the case of the
Nizam's Railway.

(2)

RESOLUTION.—It having been found by experience that the present arrangement gives rise to an amount of correspondence and a complication of accounts quite incommensurate with any advantage that can be gained from minute accuracy in the rate of exchange, the Governor General in Council is pleased to rule that the rate of exchange, to be adopted for calculating the value of stores sent out from England for Railways constructed from funds furnished by Native States, shall be that annually fixed for the adjustment of financial transactions between the Government of India and the Imperial Government.

These orders do not affect the liability of the Native States to pay the percentage fixed on account of departmental and insurance charges in addition to the amount due at the rate of exchange.

ORDER.—Ordered, that this Resolution be communicated to the Foreign Department for information, and to the Public Works Department and the Comptroller General for information and the issue of further orders.
