READ—the following letter from Major J. L. MORANT, J., Officiating Consulting Architect to Government, to the (f) Engineer Public Works Department, dated Chepāk, 12th June 1884 N.O.3:—

March 1884, I have the honor to submit to you two estimates (latter amounting Rs. 9,745, 5,655 respectively) for erecting a floating latrine for the use of the clerks and others attending the public works G.O., No. 813 W., dated 12th June 1884, at Chepāk, Madras.

2. The plan and the estimates have been prepared by the Vice-President of the Madras Municipality, who informs me that in his experience, he has every reason to believe the proposed arrangement will be very satisfactory.

3. The smaller estimate is for the following items:—

|                                                      | RS.  |
|------------------------------------------------------|------|
| Excavation of recess in bank of canal retaining wall | 1,49 |
| Iron boat                                            | 1,40 |
| Enclosure over boat                                  | 1,61 |
| Two sets of buckets                                  | ...  |
| Sundries                                             | ...  |

4. In the boat 18 closets and 8  
5. The Vice-President of the P  
completely fitted boats be entertain  
amount, or Rs. 9,745 in all. In the  
50 per mensem. If only one boat b  
80 per mensem.

6. The present latrine cost san  
working and a considerable nuisance.  
7. From a conversation I had with the V  
ment for moving the buckets on the rails whe  
jointed wheels running in grooved rails. The  
turned and run in any direction. A crane at  
of the two ends of the boat.

ORDER—dated 14 June 1884. N. 1624 W., Public Works.

The estimate amounting to Rs. 5,655, for a floating latrine for the use of the public offices at Chepāk, is sanctioned for immediate execution.

2. The Consulting Architect will place the money at the disposal of the Madras Municipality, to whom it is proposed to entrust the work, and will suggest such reappropriations from existing grants as will make up the amount.

1 JUNE 1884, No 1624 W., PUBLIC WORKS.

at is sanctioned in the first instance; another can afterwards be added if found necessary.

4. The removal of the existing house will follow immediately on the first being finished.

5. This sanction has been registered Provincial No. 71 of 1884-85 and classified as Civil Buildings, Original Works.

READ—the following letter from J. A. DAVIES, Esq., Acting Registrar of the High  
Court of Judicature at Madras, to the Chief Secretary to Government, dated  
Madras, 20th June 1884, No. 1795 :—

I am directed to submit, for the sanction of Government, copy of a letter (with  
enclosures in original) from the District Judge of Nellore, forwarding a plan and  
estimate, amounting to Rs. 4,650, for repairs to the District Court-house; and to request  
that, as the new roof to the building is urgently required, and the other alterations are  
trifling and seem desirable, Government may be pleased to make an immediate allot-  
ment of funds so that the work may be, if possible, completed before the monsoon  
sets in.

No. 1457, Judicial.

The plan and estimate are approved and transferred to the Public Works Depart-  
ment. The work is of an urgent nature.

READ—the following papers:—

From Colonel H. T. ROGERS, R.E., Superintendent, Madras Survey, to the Chief Secretary to Government, dated Madras, 14th December 1882, No. 232 G.

I have the honor to forward, herewith, a letter, No. 3107, dated 2nd instant, from the Collector of Kistna, forwarding the plan and valuation statement of the bungalow on Colonel Orr's Hill at Bezvada, which has been misssent to this office.

From J. G. HORSFALL, Esq., Collector of the Kistna District, to the Chief Secretary to Government, dated Masulipatam, 2nd December 1882, No. 3107.

I have the honor to submit, herewith, the plan and valuation statement of the bungalow on Orr's Hill at Bezvada, now in the occupation of the Head Assistant Collector.  
See G.O., No. 1900, dated 10th July 1874, Judicial, paragraphs 1 and 4.

2. I am of opinion that Rs. 6,100, the value fixed by the Executive Engineer, is far too much, and do not consider it worth more than Rs. 4,000.

3. To build a similar bungalow in the same position would probably cost more than Rs. 4,000, but the house has great disadvantages, such as want of water and difficulty of access, rendering it necessary for the occupant to incur additional charges which he would not ordinarily have to incur, and for this reason I should hesitate to fix the rent at a rate much higher than Rs. 40 per mensem.

Mis. No. 75, Judicial.

From J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Secretary to Government, Public Works Department, dated Mangalagiri, 25th April 1883, No. 263 K.S.

With reference to your endorsement, No. 208 C., of the 19th January 1883, herewith returned, I have the honor to state that having ascertained from Mr. Fiddian, C.S., the recent occupier of the Head Assistant's house at Bezvada, that the owner of the property was Mrs. E. A. Grahame, I addressed this lady (daughter of the late Lieutenant-Colonel Winscom, R.E.), who has informed me in reply, under date the 23rd March, that she is willing to sell the house. The price I named was Rs. 4,000. Mrs. Grahame further states that she will, as soon as possible, procure the necessary legal documents to establish title, and will name some one in Madras with whom the Government law officers can communicate regarding the transfer of the property.

READ—the following letter from E. BARGAY, Esq., Government Solicitor,  
Secretary to Government, Public Works Department, dated 17th July 1884, No. 533:—

With reference to the Order of Government, Public Works Department, No. 1524 W., dated 19th June 1884, I have to inform you that the conveyance in the Trusts of the Will of the late Colonel Winscom to the Secretary of State for property at Bezvada known as "Orr's Hill" has been executed by me as Attorney for the Trustees and registered. I shall therefore be obliged by the instructions of the Government as to how I am to proceed with the conveyance and by payment of Rs. 4,000 the amount of the purchase-money of the property.

2. A claim has been made by the solicitors in England of the Trustees, for rent of the premises, which was for some time, and I believe have been in the occupation of the late Colonel Winscom, from 18th June 1884, in the occupation of the Government. I am not however sure as to the date of completion of the conveyance, and the Trustees do not state the date at which the rent is payable; but the late Colonel Winscom, the administrator in the country of Colonel Winscom's estate, recovers such period as Government may have occupied the premises at the rate previously paid to the administrator.

ORDER—dated 17th July 1884, No. 1753 W., Public Works.  
The Superintending Engineer, V Circle, will arrange for the disbursement to the Government Solicitor of Rs. 4,000, the amount of the property at Bezvada known as "Orr's Hill." The amount will be debited to the transfer to the Kistna Eastern division, and a specific appropriation of funds will be made.

2. The Government should be informed of the Government Secretariat for safe custody of the documents.  
3. The Superintending Engineer, II Circle, will make inquiries and report on the subject of paragraph 2 of the Government Solicitor's letter. The house appears to have been hitherto occupied by the Head Assistant Collector, and it should be ascertained to whom the rent has been paid.
