READ—the following letter from Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Public Works Department, dated Ootacamund, 15th August 1884, No. 930-A:—

I am desired to address you on the subject of the prison accommodation at Bangalore which the Commander-in-Chief has lately had under his consideration, and which he hopes it may be found possible to increase at an early date.

2. At present court-martial prisoners belonging to British corps stationed at Bellary have to be located in the garrison prison there where there is not sufficient accommodation.

3. In the opinion of the Commander-in-Chief all long-sentence prisoners should be sent to a military prison where proper discipline can be maintained. I am therefore to express the Commander-in-Chief's wish that the extension of the military prison at Bangalore, the estimate for which was sanctioned in G.O., No. 938 W., Public Works, dated 5th April 1884, may be entered in the budget estimate for the ensuing year, and the work carried out during 1885-86.

ORDER—dated 20th August 1884, No. 2046 W., Public Works.

Communicated to the Superintending Engineer, V Circle, who will include the work in his budget lists of 1885-86, and quote this order in support of the entry.
