GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

With reference to the letter from Lieutenant-Colonel P. MONTGOMERIE, P.W.,
Superintending Engineer, I Circle, to the Chief Engineer, Public Works
Department, dated Dowlaishweram, 28th July 1884, No. 139 V.Z.

I have the honor to inform you that the Executive Engineer, Viragapattam
division, reports that the land required for constructing the taluk cutcherry at Sálur,
Salem District, No. 1293 W., dated the 23rd May 1884, has been handed over to
him by the Revenue Department; and that he has taken possession of the land
although no funds have been allotted for the work because the sub-registrar's office
at Sálur, for which funds have been allotted in the current year's Provincial budget,
has to be built on the same land. The amount of compensation to be paid for the
land in question, as settled by the Revenue Department, is Rs. 15, and I therefore
request you will be so good as to have the above sum allotted for the work referred to
as soon as possible.

Order—dated 25th August 1884, No. 2100 W., Public Works.

The sum of Rs. 15, required for payment of compensation for the land taken up for
the taluk cutcherry at Sálur, is allotted from the Provincial reserve with Government.

I have the honor to report that I have personally inspected the Government building in which the deputy tahsildar of Sálur has been hitherto holding his office. It is not only inconvenient and unfit for use, but is also in such a state of disrepair that the deputy tahsildar and his establishment can sit in it only at a considerable risk of their lives. I have, therefore, directed the deputy tahsildar to remove his office at once into a rented building in the heart of the town; and he did so on the 1st January last. The rent of the building is fixed at Rs. 10 per mensem.

2. I therefore request that you will be good enough to obtain the sanction of the Board of Revenue for the disbursement of the rent from 1st January till a new building is erected, for the construction of which measures are set on foot.

Resolution—dated 28th April 1882, Mis. No. 3160.

Sanctioned.

2. Further report regarding the erection of a new building is awaited.
