READ—the following papers:—

From Lieutenant-Colonel T. K. GUTHRIE, Acting Inspector-General of Police,
to the Chief Secretary to Government, dated Madras, 31st July 1884,
No. 4394.

I have the honor to forward, for sanction, Public Works Department estimate, &c.,
amounting to Rs. 9,200, for improve-
ments and additions to the office of the
Superintendent of Police at Mangalore,
South Canara district.

13th August 1884.

(Signed) M. HAMMICK,
Acting Under Secretary.

Note by the Chief Engineer, Public Works Department.

Submitted for the sanction of Government.

The details of the staircases are not clear, and appear to require reconsideration
on the part of the Superintending Engineer. It is doubtful also whether the headway
under portico is sufficient, whilst the corner pillars are evidently too weak to take the
thrust of the 10-feet arch in front.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Chief Engineer, P.W.D.

ORDER—dated 25th August 1884, No. 2105 W., Public Works.

The estimate, amounting to Rs. 9,200, for additions and improvements to the office
of the Superintendent of Police at Mangalore, is sanctioned.

2. The Superintending Engineer will report what sum can be spent on the work
during the current official year.

3. This sanction has been registered as Provincial No. 124 W. of 1884-85, and
classified as Civil Buildings, Original Works.

T. How are the bits of walls
I have marked in blue pencil
carried? And how is the difficulty
about head way taken & over
unders of stairs (it was)? There is
something wrong here.

The estimate may be sanctioned
with a note by Chief Secy (p. 10)
approving) saying that the details of
the staircases are not clear & appear
to require reconsideration in the part
of the D.L. Also that it doubtful
whether the heading under portico
is sufficient, whilst the corner pillars
are evidently too weak to take
the thrust of the 10 ft. arch in part.

NOTE OF REMARKS.

1. This plan and estimate provide for additions and improvements to the office of the Police Superintendent at Mangalore, South Canara District. The amount of the estimate is Rs. 9,200.
2. On the ground floor it is intended to increase the length of the arms room, to increase the accommodation for stores, to form an Inspector's room by lengthening the building 24 feet, and to add a portico. On the upper story, a new room is to be formed for the Superintendent immediately above the additional

Q. 20-8-84 R. 25-8-84

Inspector's rooms of the ground floor; a verandah in front and another in rear are to be added. A stair case at each end of the building has been provided. Provision has been made for other items arising from the proposed improvements and additions.

3. The plan and estimate have been well prepared. Some roof timbers have their scantling slightly in excess of those laid down in the standard Specification - but this can scarcely be termed a fault. It may be noticed trusses are given to a span of 15 feet.

4. The plan and estimate have been countersigned by the Sg. Insp. Genl. of Police
