READ—the following Proceedings of the Board of Revenue, dated 27th June 1884,
Mis. No. 5953 :—

Read—the following letter from W. P. AUSTIN, Esq., Acting Collector of Kistna,
to the Secretary to the Board of Revenue, dated Masulipatam, 12th June
1884, No. 1733.

I have the honor to submit, for the sanction of Government, a revised estimate,
amounting to Rs. 2,070, for the construction of a treasury room in the taluk cutcherry
of Gudiváda.

2. An estimate for Rs. 1,460 was originally sanctioned in G.O., No. 2231 W.,
dated 11th August 1883, printed in Board's Proceedings, No. 2545, dated 29th August
1883. The divisional officer has subsequently reported that the dimensions of the
treasury room as sanctioned are not spacious enough to meet the requirements of the
taluk treasury and requested that the room might be enlarged so as to hold two safes.
I have thereupon requested the Superintending Engineer to send a revised estimate
making provision for the extension of the room, as he stated that the amount of the
sanctioned estimate is not sufficient to meet the cost.

3. A comparative statement for the work is also enclosed.

Resolution—dated 27th June 1884, Mis. No. 5953.

The revised estimate for the construction of treasury room for the taluk cutcherry
of Gudiváda, amounting to Rs. 2,070, is submitted for the sanction of Government.
The increase of Rs. 610 over the original estimate is intended chiefly to cover the cost
and conveyance of another iron safe which is stated to be necessary to meet the
requirements of the taluk.

Secretary.

To the Chief Secretary to Government, Financial Department,
with original letter and enclosures, to be returned.
Copy to the Collector of the Kistna District.

The revised estimate, amounting to Rs. 2,070, for constructing a treasury room in the compound of the Gudiváda taluk cutcherry, in the Kistna district, is sanctioned under the explanation afforded.

2. This sanction which supersedes that accorded in G.O., No. 2231 W., dated 11th August 1883, has been registered as Provincial, No. 97 W. of 1884-85, and classified as Civil Buildings, Original Works.
