READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepák, 19th August 1884, No. 1931 :—

In G.O., No. 1228 W., dated 25th April 1883, sanction was given to the old Sayer cutcherry at Valudavur, in South Arcot, being handed over to the Local Fund Board, on a monthly rent of Rs. 3.

2. The Executive Engineer reports that the building was vacated by the Local Fund Board and transferred to the Superintendent of Police on the 10th February 1884, for occupation by the Sayer police of Valudavur. READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Cuddalore, 20th February 1883, No. 4094 :—

The Sayer Cutcherry at Valdavoor, in South Arcot, is no longer required by the Revenue Department. The Collector has asked the Executive Engineer to take charge of the building, with a view to its being rented by the Local Fund Board.

2. The building is not required by the Police or by the Public Works Department, and I have the honor to recommend that sanction be given under G.O., No. 157 W., dated 29th May 1877, to the building being handed over to the Local Fund Board on a monthly rent of Rs. 8.

READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 19th April 1883, No. 274:—

In G.O., No. 615 W., dated 26th February 1883, authority is given for the renting of the Sayer Cutcherry at Valdavoor by the Local Fund Board of South Arcot on a monthly rent of Rs. 8, but I have the honor to report that the Local Fund Board will not pay more than Rs. 3. The rent of Rs. 8 was fixed at $4\frac{1}{2}$ per cent. on the value of the building, with 3 per cent. added for risks and repairs, in accordance with paragraph 1229 of the Code.

2. I did not anticipate that any such objection would be made when I applied for the transfer of the building, and the Collector asked that it might be made over for a fair rental. The building is of no use to any one now, and it will either deteriorate from neglect or cost money in repair, and I recommend that, in this case, the Local Fund Board be allowed to have the building on the reduced rent of Rs. 3.

3. I would, however, add the condition that if the Cutcherry should at any time hereafter be required by a department of the Government, it shall be handed over on three months' notice being given.

On another occasion I will ascertain beforehand that a rent suited to the value of the building is offered.

ORDER—dated 25th April 1883, No. 1228 W., Public Works.

Sanctioned as recommended by the Superintending Engineer, on the condition specified in paragraph 3.
