27TH JUNE 1884, No. 1621 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Lieutenant-Colonel P. MONTGOMERIE, R.E.,
Superintending Engineer, I Circle, to the Chief Engineer, Public Works
Department, dated Dowlaishweram, 9th June 1884, No. 700 G.D.:—

I have the honor to bring to your notice that in 1879-80 the buildings noted in
the margin were built for postal depart-
ment at Gungole, to which place it was
proposed to move the village of Duma-
gudem.

Post office building cost	...	...	rs. 156
Two runners' sheds cost	...	...	45

2. The idea of the removal of the Dumagudem village has been entirely given up
(see G.O., No. 2430 W., dated 4th October 1881), and consequently the buildings under
notice become quite useless for the purpose for which they were built.

3. It is therefore now proposed to dismantle the post office building in question
and to use the materials obtained there-
from for the construction of a police
station-house at Dumagudem about to be
sanctioned,* and to sell by auction the
two runners' sheds, and I request you will be so good as to obtain sanction of Govern-
ment to the same.

* Estimate submitted to the Police Superin-
tendent of Godáviri for obtaining sanction
of Government.

4. The Superintendent of Post offices, Cocanada Division, says that the Postmaster-
General, Madras, has approved of these buildings being made over to this department
for sale. The Collector of the Godáviri district also says that they are not required
by the Revenue Department for any purpose.

ORDER—dated 27th June 1884, No. 1621 W., Public Works.

The proposals in paragraph 3 of the Superintending Engineer's letter are
sanctioned.
